UPUD PRESS RELEASE
June 2023

Union Public Utility District (UPUD) has completed their 2022 Annual Water Quality Report. This report is designed to inform the public about the quality of water and services delivered by UPUD. An announcement and link to the report was provided to all customers of the district with their June 2023 statements. Copies of the report have also been posted on public bulletin boards in the district, the local library, and the Murphys Fire District office. Copies of this report can also be obtained at the UPUD website at www.upudwater.org, at the UPUD office at 339 Main Street in Murphys, or by contacting the office at 209-728-3651 or by email at customerservice@upudwater.com.

As new challenges to drinking water safety continue to emerge, UPUD remains vigilant in meeting the goals of source water protection, water conservation, and community education, while continuing to serve the needs of all our water users. UPUD's constant goal is to provide their customers with a safe and dependable supply of drinking water. UPUD wants their customers to understand the efforts they take to continually improve the water treatment process and protect our water resources. UPUD is committed to ensuring top-quality water to every tap.

We ask that all our customers help us conserve and protect our water's sources, which are the heart of our community, our way of life, and our children's future.

If you have any questions about this report or concerning your water quality, please contact the UPUD office. Anyone interested in learning more about the Union Public Utility District can contact the UPUD office or attend our monthly Board of Director's meetings on the third Wednesday of each month at 5:30 p.m. at the UPUD office in Murphys.
