

June 27, 2023

Aidan R. Cecchetti, Ph.D, PE  
Water Resource Control Engineer  
State Water Resources Control Board  
850 Marina Bay Parkway, Bldg.P, 2<sup>nd</sup> Fl  
Richmond, CA 94804

Dear Aidan,

Thank you for your assistance in developing the City of Brentwood 2022 Consumer Confidence Report.

Enclosed are the Consumer Confidence Certification Form, a copy of the email blast notification, the Facebook, Instagram, Twitter, and Nextdoor posts, Brentwood Buzz newsletter, billing statement message, and one paper copy of the report in English and Spanish.

Sincerely,

Lindsey Ray  
Water Conservation Specialist

## APPENDIX B: eCCR Certification Form (Suggested Format)

### Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

|                      |                   |
|----------------------|-------------------|
| Water System Name:   | City of Brentwood |
| Water System Number: | CA0710004         |

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/14/2023 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

|   |                                 |
|---|---------------------------------|
| Name: James Wolfe   | Title: Water Operations Manager |
| Signature:  | Date: 6/26/2023                 |
| Phone number: 925-516-6025  |                                 |

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☐ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
  - ☒ Posting the CCR at the following URL: [www.brentwoodca.gov/awqr](http://www.brentwoodca.gov/awqr) and [www.brentwoodca.gov/spanish-awqr](http://www.brentwoodca.gov/spanish-awqr)
  - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
  - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
  - ☒ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)

- ☒ Posted the CCR in public places (attach a list of locations): City Hall, 150 City Park Way
- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☒ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www.\_\_\_\_\_
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

### **Consumer Confidence Report Electronic Delivery Certification**

*Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.*

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: [www.brentwoodca.gov/awqr](http://www.brentwoodca.gov/awqr) and [www.brentwoodca.gov/spanish-awqr](http://www.brentwoodca.gov/spanish-awqr)
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: [www.brentwoodca.gov/awqr](http://www.brentwoodca.gov/awqr) and [www.brentwoodca.gov/spanish-awqr](http://www.brentwoodca.gov/spanish-awqr)
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

*Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.*

|  |
|--|
| The City has advertised the availability of the report via social media (Facebook,           |
| Twitter, Instagram, and Nextdoor), posted the direct links on utility bills, and included it |
| In the monthly Brentwood Buzz newsletter. Electronic copies were emailed to all City         |
| Residents and business with an email address on file. Hardcopies are advertised as           |
| available at City Hall, 150 City Park Way, and Public Works, 2201 Elkins Way in              |
| in Brentwood, CA.  |
|  |
|  |
|  |
|  |
|  |
|  |

*This form is provided as a convenience and may be used to meet the certification  
requirement of  
section 64483(c) of the California Code of Regulations.*

June 2023

# Brentwood Buzz

*Stay Connected with the City of Brentwood*

On May 17, 2023, Mayor Joel Bryant presented the State of the City address in person, delivering key insights about Brentwood's 75th anniversary and our rich history to an attentive audience. The Mayor elaborated on the City's focus on economic development while balancing and preserving our agricultural roots.

In the [Mayor's presentation](#), several significant capital projects were high-

lighted. Notably, the construction of the Sand Creek Road extension has been delayed on account of a golden eagle nest and construction is expected to resume after August. Additionally, important upcoming meetings include a public hearing on proposed increases for water, wastewater, and solid waste rates on June 13; discussions regarding funding phases for the Sand Creek Sports Complex on the same date; and a Planning Commission public hearing on Costco on June 20. The City Council will consider the final Capital Improvement Projects on June 13 and Mid-Year Operations budget on June 27. We encourage all residents to participate in these meetings and stay informed.

Major City events were also highlighted in the Mayor's presentation, specifically an expanded July 4th celebration. This year's national holiday will feature additional 75th anniversary festivities such as the annual parade, the return of Carnique, a Ghostlight Theatre Ensemble original production, games, prizes, food, swimming, Concert in the Park, and a drone show. It'll be a full day downtown filled with festivities for all ages.

The Mayor's final remarks touched on two valuable resources for residents. First, residents can track the status of our Strategic Plan through a new online dashboard at <https://brentwood.info/strategic-goals>. The Strategic Plan encompasses approximately 40 initiatives that impact all aspects of our residents lives. Second, we have also added a capital project dashboard at [https://brentwood.info/CIP\\_Projects](https://brentwood.info/CIP_Projects) where residents can track the progress of major projects planned for Brentwood.

Thank You,  
City Manager Tim Ogden - [togden@brentwoodca.gov](mailto:togden@brentwoodca.gov)

## Sand Creek Sports Complex Update

The City Council will review the Sand Creek Sports Complex on June 13, determining the course of action for the project's initial phase. The Parks and Recreation Commission previously approved the overall conceptual design on April 27, 2023. However, cost estimates exceeded the approved budget, prompting the Commission to recommend phased implementation based on available funding. With the City Council's approval of additional funding, a total of \$19.2 million has been allocated for the project. Specific details for the first phase are recommended to include:

- Three (3) 70 x 110 yard sports fields with artificial turf (lined for both soccer and lacrosse)
- Sports field lighting
- Parking lot (initially 270 spaces on asphalt)
- Restroom/storage/concession/staff building
- Various smaller park amenities including bike racks, park signage, drinking fountains, trash and recycling receptacles
- Infrastructure for entire Phase 1 with stub outs for future project phase(s)

It is also recommended that the first phase be bid with several bid alternates, so that additional parts of the project can be constructed, should the existing funding allow. Bid alternates with this phase could include:

1. Picnic areas, warm up areas, and planting
2. Multi-use hard court and picnic areas
3. Maintenance area
4. Completion of second half of the parking lot.

On June 13, staff will request confirmation of the conceptual plan and direction from the City Council for a list of elements to include in the first phase. The city will then complete designs and environmental reviews through 2023.

## Upcoming Public Meetings

### Weed Abatement Efforts Underway

The goats are back to assist the City with our weed abatement efforts! As you drive or walk around the city, you may notice them grazing along storm channels and retention basins. Stop to enjoy and take a picture but please do not touch the electric fences or try to feed the goats.

For general location information, visit the City's website at <https://www.brentwoodca.gov/gover.../public-works/what-s-new>
