Dear KMWC community:

I would like to thank all of you who showed up at the Annual Shareholders meeting and voted unanimously to amend the Bylaws to accommodate official electronic communications and notifications via email and through our very beautiful Kyburz Mutual Water Company's kyburzwater.com website designed and built by Theresa Walker. The use of updated forms of communication will save us hundreds of dollars in paper, envelopes, and stamps and many, many hours of labor not having to use snail mail for all our notification purposes. Again I say thank you to those of you who were among the record attendance crowd June 25!

The purpose of this email is to deliver to you personally the same Consumer Confidence Report which has been available to you online at kyburzwater.com since early June. See the attached file for the complete report.

If you have not visited the website I would encourage you to do so. It will be updated soon with the latest Quarterly President's report where you will be updated on the Shareholder's Meeting of June 25 and also many great developments including the generator installation thanks to Vice President Branden Sievers, new upgrades to the payroll, worker's comp, and Quickbook streamlining CFO Kennan Sievers has been working hard to implement and the Certificate transfers which Secretary Troy Yeske has been working on plus a lot more.

Attached you will find the 2021 CCR. Please Check it out!

Best Regards,
John Marrs
President
