Grizzly Flats CSD Newsletter July 2020

The mission of the Grizzly Flats Community Services District is to maintain the highest ethical standards for its Board members and employees while providing quality water in a fiscally responsible manner for the community of Grizzly Flats.

Annual Consumer Confidence Report

THIS NOTICE CONTAINS INSTRUCTIONS FOR YOU TO OBTAIN IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER.

Este reporte contiene las instrucciones más recientes para obtener información importante sobre su agua potable. Traducir, o hablar con alguien que lo entienda.

The Consumer Confidence Report (CCR) is an annual water quality report issued by Grizzly Flats Community Services District as required by the Safe Drinking Water Act (SDWA). The purpose of the CCR is to inform you of the quality of your drinking water. In previous years, GFCSD has mailed its customers a printed copy of the CCR. State Water Resources Control Board has expanded its interpretation of the SDWA to allow for electronic delivery of the report. This allows GFCSD to reduce paper consumption and minimize printing costs.

Call (530) 622-9626 or email Kim (GFCSD's Board Secretary) at gfwater@sbcglobal.net.

GFCSD Office is Open to the Public

Due to concerns related to the COVID-19 pandemic, we recommend that customers only come into the office if they require staff assistance. If you are dropping off a payment during office hours, please leave it in the drop-box next to our front door or in the green drop box at the bottom of our driveway (right hand side, near the gate post). We're also available to assist customers by phone at (530) 622-9626 or by email (gfwater@sbcglobal.net) during our normal business hours (Monday – Friday, 9:00 AM to 2:00 PM.)

We ask that only one customer enter the lobby at a time. This will allow customers and staff to maintain adequate social distancing. We ask that you not come to the office if you are sick or have been in contact with someone who was recently sick.

Normal Billing / Late Charges Resume This Month!

In March, our Board of Directors took action to suspend all late fees and shut offs for non-payment to help our customers with any financial impacts they were experiencing due to the COVID-19 pandemic and the State's Stay-at-Home Orders. As the State starts reopening, we must also resume our normal operations. At the June 11th board meeting, it was decided to let the actions taken in regard to late fees expire on June 30th.

We will resume normal billing procedures for water payments this month. Late charges (10% of the balance due) will be applied to all accounts that have a balance of \$5 or more as of July 21st.

If you have unpaid water charges from March through June, you must either pay the balance in full or have a payment arrangement approved by our office prior to July 21st, or your account will start incurring late fees.

We will resume service disconnections for non-payment once the Governor's Executive Order N-42-20 expires. If you have questions about your account balance or want to set up a payment arrangement, contact us at gfwater@sbcglobal.net or (530) 622-9626. Our Disconnection Policy, Billing & Penalty Schedule, and Payment Arrangement forms can be found under the "Customer Info" tab on our website at the following link: http://grizzlyflatscsd.com/?page_id=10

2020/2021 Budget Process

The proposed budget is available on our website at the following link: http://grizzlyflatscsd.com/?page_id=2 and at the District office during normal business hours; Monday – Friday, from 9:00 am to 2:00 pm. The GFCSD Board of Directors is expected to review and approve the final budget at our regular meeting which is scheduled to take place at 6:30 pm on Thursday, July 9, 2020. The public is welcome to participate and be heard regarding any item in the budget.
