APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	USDA Agricultural Research Service
Water System Number:	1000565

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 06/12/2024 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

X	CCR was distributed by mail or other direct delivery methods (attach description of
	other direct delivery methods used). CCR uploaded to the facility intranet homepage
	and an email sent out notifying all employees that the 2023 CCR was available for
	review with directions provided on accessing the location of the report on the
	homepage. Additionally, all employees received notification that hard copies of the
	report could be provided upon request. A hard copy of the report was posted on the
	facility safety information bulletin board located adjacent to the employee break
	room.
	CCR was distributed using electronic delivery methods described in the Guidance
	for Electronic Delivery of the Consumer Confidence Report (water systems utilizing
	electronic delivery methods must complete the second page).
	"Good faith" efforts were used to reach non-bill paying consumers. Those efforts
	included the following methods:
	Posting the CCR at the following URL: www
	☐ Mailing the CCR to postal patrons within the service area (attach zip codes
	used)
	Advertising the availability of the CCR in news media (attach copy of press
	release)
