- ☐ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- ☒ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The CCR was sent as an attachment to Death Valley employees living and working in the
Stovepipe Wells distribution area. The Stovepipe Wells Water System also serves non-NPS
businesses/concessions. Printed copies of the CCR were hand delivered to employees
and residents in the distribution area that did not receive an email with the PDF attachment.
Extra copies of the CCR are available in the Utilities office should any customers request a
printed copy.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
