

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Furnace Creek Water System
Water System Number:	1410505

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 27-JAN-2025 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Charles Thompson	Title: Chief of Maintenance
Signature:	Date: 27-Jan-2025
Phone number: 760-786-3262	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: [www. Annual Reports - Death Valley National Park \(U.S. National Park Service\)](http://www.annualreports-deathvalleynationalpark.com)
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)

- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☐ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly accessible internet site at the following URL: www._____
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☐ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www._____
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Delivery of the CCR used the federal government email system as well as providing the CCR to our Liaison for outside entities such as the Timbisha Tribe, CHP, CALTRANS, Xanterra, and Stovepipe Wells Concessionaire.

*This form is provided as a convenience and may be used to meet the certification
requirement of
section 64483(c) of the California Code of Regulations.*

**DEATH VALLEY NATIONAL PARK
FURNACE CREEK WATER SYSTEM
CA1410505
2023 CONSUMER CONFIDENCE REPORT**

We are pleased to provide you with this year's Annual Quality Water Report also known as Consumer Confidence Report (CCR). We want to keep you informed about the excellent water and services we have delivered to you over the past year. Our goal is and always has been, to provide to you a safe and dependable supply of drinking water. Our staff receives updated, professional training on a continuing basis so that we may better serve you.

At the present there are over 150 water customers and users on the system, consisting of more than 1.5 miles of water distribution pipe within Furnace Creek. There is one partially buried tank located in Furnace Creek that holds approximately 2-million gallons of water. We are chlorinating, we do so as a protection to our customers and users. Chlorinating kills bacteria that might enter our system. Another question frequently asked of our department is "do you fluoridate"? The answer is "no".

We're pleased to report that our drinking water is safe and meets or exceeds state water board requirements. This report shows our water quality and what it means.

If you have any questions about this report or concerns of your water utility, please contact Charles Thompson, at 760-786-3262. We want our customers and users to be informed about their water utility. If you want to learn more, please do not hesitate to contact Maintenance Division Chief.

Death Valley Utilities Branch routinely monitors for constituents in our drinking water according to State laws. Our water system is tested monthly. The attached report shows the results of our monitoring for the period of January 1st to December 31st, 2023.

**ADDITIONAL COPIES MAY BE OBTAINED FROM
Death Valley National Park Utilities Branch
579 Cow Creek Service Road
Furnace Creek, CA 92328**

Thank you,

Chuck
