The City of California City electronically distributed its 2025 Consumer Confidence Report (Annual Water Quality Report) using the Everbridge Nixle notification system. A mass text message and email notification was sent to the community advising customers that the 2025 Consumer Confidence Report was available online. The notification included a direct link to the report and informed residents that the report contains important information regarding drinking water sources, water quality testing results, and overall water quality.
The electronic notification stated: California City's 2025 Consumer Confidence Report (Annual Water Quality Report) is now available. This report provides important information about your drinking water, including water sources, testing results, and water quality. Residents are encouraged to review the report here:(linked city's CCR Report On website) For customers unable to receive the report electronically or who do not have internet access, the City makes printed copies of the Consumer Confidence Report available upon request. Customers may contact or visit City Hall to request a paper copy, and a printed copy can be provided.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
