

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name: VALLEY COUNTY WATER DISTRICT

Water System Number: 1910009

The water system named above hereby certifies that its Consumer Confidence Report was distributed electronically in May and June 2019, additionally a printed copy was mailed in July 2020 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Name: Tara Robinson
Signature: 
Title: Management Analyst
Phone Number: (626) 962-1915 / (818) 429-6981 Date: July 6, 2020

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
- Posting the CCR at the following URL:
http://www.vcwd.org/page/829140_Consumer_Confidence_Report.asp
- Mailing the CCR to postal patrons within the service area (attach zip codes used)
- Advertising the availability of the CCR in news media (attach copy of press release)
- Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
- Posted the CCR in public places (attach a list of locations)
- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: http://www.vcwd.org/page/829140_Consumer_Confidence_Report.asp
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

YOUR DRINKING WATER

Valley County Water District regularly tests your drinking water using California Department of Drinking Water approved methods to ensure it meets all water quality standards. Each year, the District produces a Water Quality and Consumer Confidence Report (CCR) to summarize all water quality data and current projects to improve service to its customers.

The 2019 CCR will be available on our website by July 1, 2020 at: http://www.vcwd.org/page/829140_Consumer_Confidence_Report.asp

Este informe contiene información muy importante sobre su agua potable. Si usted gusta obtener esta información en español, por favor llame al (626) 338-7301.

trustTHE tap
SAFE. AFFORDABLE. RELIABLE.

Water provided from your tap is more regulated and tested than bottled water.

The District continues to meet all State and Federal drinking water standards, adhering to the Safe Drinking Water Act —the principal federal law ensuring safe drinking water for the public.

#TrustTheTap

WATER SAFETY IS OUR TOP PRIORITY

All public water systems are regulated by the State Water Resources Control Board (SWRCB) and the U.S. Environmental Protection Agency.

- ✓ All water treatment processes are continuously monitored and tested.
- ✓ The District is required to test and remove substances in quantities as small as 1 part per billion, which is the same as finding a single drop in a typical 20,000-gallon swimming pool.

For Questions and More Information About the Quality of Your Water, Call (626) 338-7301 or Visit us Online at www.vcwd.org
