

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Valley County Water District
Water System Number:	CA1910009

The water system named above hereby certifies that its Consumer Confidence Report was distributed on June 27, 2024 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Dana Diaz	Title: Strategic Programs Administrator
Signature: 	Date: July 10, 2024
Phone number: 626-338-7301	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: www.vcwd.org/231/Consumer-Confidence-Report
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.vcwd.org/CCR
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Customers were made aware of the electronic version of the 2023 Consumer
Confidence Report via bill inserts. A printed copy is also available to customers by
mail, if requested, or available to be picked up in the lobby of the District's Headquarters

June 2024

Important Information About Your Drinking Water

Valley County Water District regularly tests your drinking water using California Department of Drinking Water approved methods to ensure it meets all water quality standards. Each year, the District produces a Water Quality and Consumer Confidence Report (CCR) to summarize all water quality data and current projects to improve service to its customers.

Thank you for allowing us to play an essential role in the public health and safety of our community.

Our service commitment is focused on the delivery of a safe, affordable and reliable supply of water to our customers.

Join us online!      @vcwdwater

The 2023 CCR will be available on our website by July 1, 2024 at www.vcwd.org/CCR

Junio 2024

Información Importante sobre su agua potable

Valley County Water District analiza regularmente su agua potable utilizando métodos aprobados por el Departamento de Agua Potable de California para garantizar que cumpla con todos los estándares de calidad del agua. Cada año, el Distrito produce un Informe de Calidad del Agua y Confianza del Consumidor (CCR) para resumir todos los datos de calidad del agua y los proyectos actuales para mejorar el servicio a sus clientes.

Gracias por permitirnos ser una función esencial en la salud pública y la seguridad de nuestra comunidad.

Nuestro compromiso de servicio se enfoca en la entrega de un suministro de agua seguro, asequible y confiable para nuestros clientes.

El CCR del 2023 estará disponible en nuestro sitio web a más tardar el 1 de Julio del 2024 en www.vcwd.org/CCR
