

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Kinneloa Irrigation District
Water System Number:	1910035

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/19/2023, to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Melanie Timoteo	Title: Admin. Assistant
Signature: <i>Melanie Timoteo</i>	Date: 06/19/2023
Phone number: 626-797-6295	

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL:
www.kinneloa Irrigation District.info/files/2c60fd9/CCR+2022+Approved.pdf
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL:
www.kinneloairrigationdistrict.info/files/2c60fd9/CCR+2022+Approved.pdf
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL:
www.kinneloairrigationdistrict.info/files/2c60fd9/CCR+2022+Approved.pdf
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

KID used the OneCallNow system to send a dedicated email to all our customers that contained a direct URL and PDF attachment of the 2022 CCR. Any customer or non-bill

paying customer unable to receive electronic delivery, was sent a postcard notification.
Any customer or non-bill paying customer who contacts the office for the 2022 CCR
will be offered the option of receiving the report via email attachment or mailed a hard
copy.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

CONSUMER CONFIDENCE REPORTS

Consumer Confidence Reports (CCRs), also known as water quality reports or drinking water quality reports, provide you with important information about the quality of your drinking water. The U.S. Environmental Protection Agency (EPA) requires every community water supplier to provide a CCR to its customers.

Learn more about the sources and quality of your drinking water by clicking one of the links below:
