The 2020 City of Glendora, Water Division Consumer Confidence Report is now available!

The Consumer Confidence Report (CCR) is an annual water quality report that the California Safe Drinking Water Act (SDWA) requires the City of Glendora to provide to you. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources. The City of Glendora is proud to share with its customers and residents that the drinking water being provided to you has met or exceeded all standards set by the State Water Resources Control Board.
