****THIS METER IS FOR CONSTRUCTION PURPOSES ONLY****
Dust Control • Agriculture • Construction • Pools
Not Meant For Human Consumption

The construction water rate inside L.C.I.D. boundaries is \$455.20 in Zones 1-4 and \$516.58 in Zone 0 per acre-foot (325,000 gallons). Upon approval, the construction water rate outside of L.C.I.D. boundaries is \$2232.17 per acre-foot plus a \$100.00 monthly fee. Meters are read at the end of each month **Portable meters shall be delivered to the office to be read.** Payment is due by the last day of the following month. Service will be discontinued 10 days later if payment is not received.

The use of construction water for any other purpose or use is prohibited and may result in termination of your access to District water. Construction water may not be transported outside of the District boundaries without prior written approval of District. Under no circumstances may construction water be transported outside of (define basin area).

L.C.I.D. is not responsible for the theft, freezing or other damage to the meter. Such damage is the responsibility of the user. If the construction meter is lost, damaged or non-usable due to freezing, the cost of a new water meter will be charged to the user.
