

eCCR Certification Form

Consumer Confidence Report Certification Form

Water System Name:	City of Lomita Water Department
Water System Number:	CA1910073

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/22/2021 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Carla Dillon	Title: Public Works Director
Signature: 	Date: 6/29/2021
Phone number: 310-325-7110 x124	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☒ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used). Postcards to USPS bill recipients.
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: <https://www.lomitawater.com/ccr2020/>
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)
 - ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools

- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☒ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

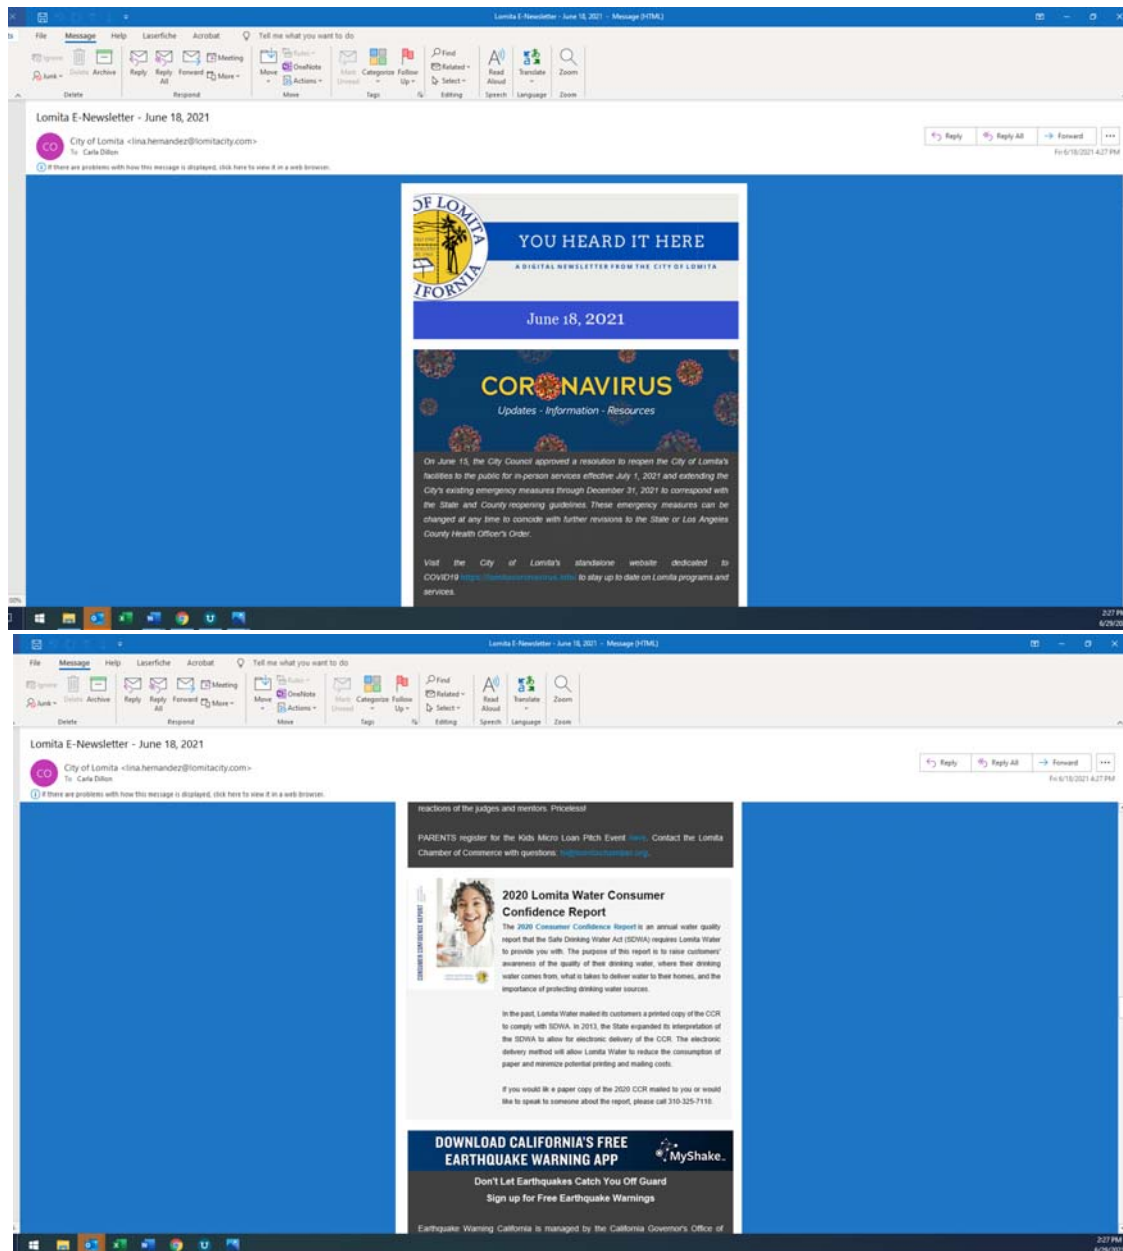

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: <https://www.lomitawater.com/ccr2020/>
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: <https://www.lomitawater.com/ccr2020/>
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

<i>For customers that receive hard copy bills (3,789 accounts), a postcard was sent by USPS with a direct link to the CCR mailed on June 22, 2021.</i>
<i>For customers that selected e-billing (597 accounts), an email was sent announcing the CCR with a direct link to the CCR on June 22, 2021.</i>
<i>The CCR was announced with links on Nextdoor, Instagram, and Facebook on June 22, 2021.</i>
<i>The City will mail hard copies upon request.</i>

The City sent information about the CCR in its June 18, 2021 e-newsletter

Lomita Water 2020 Consumer Confidence Report Now Available

June 21, 2021

Lomita residents can learn about the City's drinking water and view water quality data in the 2020 Lomita Water Consumer Confidence Report, available online now at www.LomitaWater.com/CCR2020.

The water quality report link has been directly distributed to Lomita Water customers via a postcard to paper bill recipients and via email to eBilling recipients. Those who would like to receive a physical copy of the report can call the City of Lomita at 310-325-7110.

The 2020 Consumer Confidence Report is the second that Lomita Water is distributing electronically by sharing a link to the online report. Electronic delivery minimizes printing and mailing costs associated with the report and reduces paper consumption, while complying with the Safe Drinking Water Act (SDWA) according to a 2013 interpretation by the State of California.

The Consumer Confidence Report is an annual water quality report required by the SDWA. The purpose of the Consumer Confidence Report is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

In addition to including water quality data, this year's report includes information about new projects in the Lomita Water System. The report highlights the [project kick off of a new Granular Activated Carbon \(GAC\) filtration system](#) at the Cypress Water Production Facility (CWPF). The project comes as a result of grassroots input directly from Lomita residents regarding their drinking water, and the system has been designed specifically to address that feedback. On March 4, 2021, the City of Lomita held a small event commemorating the kickoff of the new GAC project at CWPF. Although the City was unable to host members of the public due to COVID-19 restrictions, [video was captured of the event](#) so Lomita residents could still share in the excitement of the kickoff from the safety of home.
