*Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.*

The City electronically delivered notification of the 2023 CCR by posting messages on the City's website homepage, along with delivering mail leaflets which gave details about where individuals could locate a copy of the CCR, by visiting the City's website or contacting the Public Works office and requesting a paper copy to be delivered to them. We also added a brief message into the June water utility bills, stating that the CCR is available on the city's website or contacting by phone Public Works. The 2023 CCR was also mailed directly to all customers.

## **CONSUMER CONFIDENCE REPORT 2023**

THIS NOTICE CONTAINS INSTRUCTIONS FOR YOU TO OBTAIN IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER.

*Este informe contiene información importante sobre su agua potable. Comuníquese con el Departamento de Obras Públicas de la Ciudad de Monrovia al (626) 932-5575 para recibir asistencia en español.*

The Safe Drinking Water Act (SDWA) requires the City of Monrovia to provide you with a Consumer Confidence Report (CCR) each year. The purpose of the CCR is to:

1. Raise awareness on water quality.
2. Share information related to the source of our water.
3. Educate consumers on the water distribution system.
4. Outline the importance of protecting our drinking water source.

In previous years, the City has printed and mailed copies of the CCR; however, in February 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR.

To view your 2023 Consumer Confidence Report and learn more about your drinking water, please visit:
