Karen Wong, P.E., Sanitary Engineer
California Department of Public Health
Southern California Branch, Drinking Water Field Operations
500 North Central Avenue, Suite 500
Glendale, CA 91203

Subject: 2020 Consumer Confidence Report reporting 2019 Water Quality Data

Dear Karen Wong,

Pursuant to Section 64483(c), Title 22, California Code of Regulations which requires a water system to “mail a copy of the ... [CCR] to the Department, followed within 3 months by a certification that the report has been distributed to customers, and that the information is correct and consistent with the compliance monitoring data previously submitted to the Department”, enclosed are Santa Clarita Valley Water Agency-Newhall’s Water Division-Newhall System 2020 CCR and CCR Certification Form.

If you require any additional information, you can contact me at 661-259-1635 or janderson@scvwa.org.

Sincerely,

Jenny Anderson
Water Quality Specialist

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name: SCV Water – Newhall Water Division – Newhall system

Water System Number: 1910096

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 5/27, 6/3, 6/10, 6/17 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Name: Jenny Anderson
Signature: 
Title: Water Quality Specialist
Phone Number: (661) 259-1635 Date: 7/16/2020

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ “Good faith” efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: <https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☒ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☒ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)
 - ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
 - ☐ Delivery to community organizations (attach a list of organizations)
 - ☐ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
 - ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
 - ☐ Other (attach a list of other methods used)
- ☒ For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: <https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>

- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification).
URL: <https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). <https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

We mailed a notification that the CCR is available and provided a direct URL to the SCV Water website. We used electronic delivery methods through our billing system as described in the Guidance for Electronic Delivery of the Consumer Confidence Report. Hard copies made available upon request.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

Notice for Important Information About Your Drinking Water Quality

2020 WATER QUALITY REPORT

<https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>

THIS NOTICE CONTAINS INSTRUCTIONS FOR YOU TO OBTAIN
IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER.
TRANSLATE IT, OR SPEAK WITH SOMEONE WHO UNDERSTANDS IT.

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires SCV Water-Newhall Water Division to provide all of its customers. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

Covid - 19 Update

We are Here to Help. As we continue to navigate these challenging times, SCV Water remains deeply committed to the safety of our customers, community and employees.

Here are a few things you need to know....

Customer Care. To continue **reducing the spread of COVID-19, all Customer Care lobbies are closed through at least June 30.**

For more information on ways to pay, visit [Customer Care](#).

Gardening Classes . Our June Gardening Classes are cancelled and we'll keep you updated on July. [Click here for our 2020 Gardening Classes schedule.](#)

Your water supply is safe. The COVID-19 coronavirus has no impact on the quality or supply of your tap water. We continue to operate our water system to ensure you receive reliable water service that meets all state and federal drinking water standards.

Through it all, water is essential and we are here for you!

Stay safe and healthy!

[Click here to stay up to date with SCV Water and Covid-19](#)

Director Tom Campbell Resigns After 23 Years of Service

After serving the Santa Clarita Valley for 23 years as a Board Member for the Newhall County Water District (NCWD), Castaic Lake Water Agency (CLWA) and SCV Water, Tom Campbell resigned his position, effective May 27, 2020. Campbell represented Division 2 on the SCV Water Board of Directors, serving portions of Valencia, Saugus and

Canyon Country. Moving forward, Campbell will focus his time and efforts on his family.

"On behalf of the Board of Directors, I want to thank Tom for his years of exemplary service to our board and to the SCV community."

To read more, click [here](#).

PFAS Update

Protecting Precious Resources in Record Time

Nothing of this scope and speed has ever been seen in the water industry. The SCV Water PFAS Strike Team worked seamlessly with one goal in mind – to continue to provide safe, clean drinking water to the customer." - SCV Water Public Information Officer Kathie Martin in the May/June 2020 issue of American Infrastructure Magazine.

SCV Water Supplies Continue to Meet Federal and State Drinking Water Standards

2020 Water Quality Report Describes the Quality of 2019 SCV Water Supplies

SCV Water's top priority is ensuring the water we deliver to you, our customers, is safe, reliable and meets all state and federal drinking water health standards. Together with Los Angeles County Water Works District #36, we've recently completed the 2020 Water Quality Report (also known as the Consumer Confidence Report). It is now available on our website, under the Water Quality menu, or by clicking the direct link [here](#).

The Spanish version is also available on our [website](#).

Community Events

Just a reminder you may attend a Board and Committee Meeting via teleconferencing by clicking [here](#).

Due to the Safer at Home order, all **SCV Water Gardening Classes** have been canceled through June.

Conservation

Earn \$20 While Safer at Home Take our Online WaterSMART Workshop

Here's an opportunity to save water and money - all from the safety of your own home! There's no better time to take advantage of our innovative **WaterSMART Workshop**. You could invite your kids to learn alongside you. You'll receive a check for \$20 when you complete it.

Meet Wendy Waters, your virtual workshop instructor (#SocialDistancing!). She will teach you how to:

- Read and analyze your water bill
- Identify and fix leaks
- Save water both indoors and outside
- Become more efficient with your overall water use

Visit [WaterSmartWorkshop.com](https://www.water-smart-workshop.com) to get started!

Customers will receive a \$20 incentive for completing the workshop! *(Processing time may be delayed while stay-at-home orders are in place.)*

Conservation Rebate Program Update

In response to the Governor's Safer at Home order, all Conservation Rebate Programs (Residential, Business, and Large Landscape/Homeowners' Association) **are suspended** until further notice.

Resources for the DIY Landscaper

Finally have some time to start on that landscape project, but not sure where to start? We have the resources for you!

SCV's Hottest Plant Guide

We'll let you in on a little secret - the 30 hottest plants of the SCV! These plants thrive through the hottest summers and survive the coldest winter nights. They're attractive, available at your local nursery, drought-tolerant once established, an easy to maintain over the long-term. Not to mention, they don't mind our clay soil!

Steps to Lawn Replacement

Ready to ditch your lawn and replace it with colorful and water-efficient alternatives? We have just the thing for you! A step-by-step guide on how to kill and remove grass, and what to plant instead!

[Click here to visit our website for more landscape inspiration and information.](#)

National Gardening Week

The first full week of June 1-7 is National Gardening Week! Thinking about changing or updating your garden? Check out [Better Homes and Gardens](#) for some wonderful ideas.

Gardening Tip

Time for your Irrigation System Tune Up

June is certainly a busy month in the garden, so don't forget the basics and check your irrigation system for leaks and over spray. SCV Water has developed a video to help you tune up your irrigation system.

To view the video, click [here](#).

Kid's Corner

As we all do our best to stay "Safer at Home", we wanted to give a shout out to all of the parents doing their best to keep up with their kid's school work and keep them entertained. With schools closed, we've rolled out a few resources that are not only fun but also educational!

How much water does it to

make a hamburger?

Do you know how much water it takes to make a hamburger? Take a guess and then click [here](#).

Start with Heart

SCV Water has commissioned the Razzle Bam Boom team to produce some fun and informative weekly videos for your students at home. Our themes are about being safe, being water-smart, and to always keep learning. You can find those videos by clicking [here](#).

NEWS RELEASE
DATE: May 21, 2020
FOR IMMEDIATE RELEASE

**SCV Water Supplies Continue to Meet
Federal and State Drinking Water Standards**
2020 Water Quality Report Describes the Quality of 2019 SCV Water Supplies

SCV Water's top priority is ensuring the water we deliver to you, our customers, is safe, reliable and meets all state and federal drinking water health standards. Together with Los Angeles County Water Works District #36, we've recently completed the 2020 Water Quality Report (also known as the Consumer Confidence Report). It is now available on our website, under the Water Quality menu, or by clicking the direct link below:

<https://yourscvwater.com/wp-content/uploads/2020/05/2020-SCV-Water-Quality-Report.pdf>

Annual Water Quality Report

The State Water Resources Control Board Division of Drinking Water (DDW) requires all public water agencies to provide all customers an annual report on the quality of drinking water and to show how it meets federal and state drinking water standards. This report describes the quality of our local water supplies in the Santa Clarita Valley during 2019. It includes an explanation of the DDW requirements along with SCV Water's test results.

SCV Water has posted the 2020 Water Quality Report on our website (<https://yourscvwater.com/water-quality/#waterqualityreports>) and is mailing or emailing notices of availability to our customers. Paper copies of the report can be obtained by contacting SCV Water at (661) 294-0828.

Commitment to Transparency

SCV Water remains committed to clear and timely communication with our customers about all water quality issues within the Santa Clarita Valley. We encourage you to review the report and reach out with any questions you may have.

We appreciate the opportunity to serve you.

####

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to approximately 74,000 business and residential customers. It was formed on January 1, 2018 when local water suppliers combined into one integrated, regional water provider. More information can be found at www.YourSCVwater.com

For more information, please contact:

Kathie Martin
Public Information Officer

**NOTICE FOR
IMPORTANT
INFORMATION
ABOUT YOUR
DRINKING WATER
QUALITY FROM THE
SANTA CLARITA VALLEY
WATER AGENCY**

Add a space between Clarita and Valley. Thank you.

The Santa Clarita Valley Water Agency (SCV Water) and Los Angeles County Waterworks District #36 continuously work to ensure you and your neighbors have a reliable supply of high-quality water at a reasonable price. The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of your water and to show how it meets federal and state drinking water standards.

This 2020 Annual Water Quality Report (also known as the Consumer Confidence Report) describes in detail the quality of local water supplies in the Santa Clarita Valley during 2019. There is an additional explanation of the requirements and test results in the report. Due to a change in the law and a desire to save our ratepayers money, SCV Water is posting the report on its website and mailing notices of its availability to customers.
