

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Palmdale Water District
Water System Number:	CA1910102

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 06/23/2025 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Palmdale Water District

Name: Amanda Thompson	Title: Water Quality & Regulatory Affairs Supervisor
Signature: 	Date: 06/25/2025
Phone number: (661) 947-4111 x1178	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☒ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL:
https://www.palmdalewater.org/wp-content/uploads/2025/03/2024_CCR.pdf
https://www.palmdalewater.org/wp-content/uploads/2025/06/2024_CCR_SPAN.pdf
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☒ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)

- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☒ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☒ Other (attach a list of other methods used)
- ☒ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL:
https://www.palmdalewater.org/wp-content/uploads/2025/03/2024_CCR.pdf
https://www.palmdalewater.org/wp-content/uploads/2025/06/2024_CCR_SPAN.pdf
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL:
https://www.palmdalewater.org/wp-content/uploads/2025/03/2024_CCR.pdf
https://www.palmdalewater.org/wp-content/uploads/2025/06/2024_CCR_SPAN.pdf
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL:
https://www.palmdalewater.org/wp-content/uploads/2025/03/2024_CCR.pdf
https://www.palmdalewater.org/wp-content/uploads/2025/06/2024_CCR_SPAN.pdf
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Mailer sent to all addresses within Palmdale Water District service area.
Mailed out <i>The Pipeline</i> (PWD Customer Newsletter) to all customers setup to receive a paper bill. <i>The Pipeline</i> includes direct link and QR code.
Emailed <i>The Pipeline</i> (PWD Customer Newsletter) to all customers setup to receive paperless bills. <i>The Pipeline</i> includes direct link and QR code.
Posted notice in the slideshow on the home page of Palmdale Water District's website (www.palmdalewater.org).
Posted notice on Facebook.
Posted notice on Instagram.
Posted notice on X.
Posted notice on Nextdoor, targeting neighborhoods serviced.
CCR emailed to 6,000 Constant Contact subscribers.
Press release to notify the public.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

FOR IMMEDIATE RELEASE

ANNUAL REPORT SHOWS PWD'S WATER QUALITY MET ALL DRINKING WATER STANDARDS

Palmdale, CA – Palmdale Water District (PWD) customers wanting detailed information about their water quality can now access the newest Consumer Confidence Report (CCR), which shows PWD's water met all federal and state guidelines in 2024.

The CCR is a comprehensive annual report detailing where PWD's water comes from, what it contains and how it compares to drinking water standards set by the state. Required by the California State Water Resources Control Board Division of Drinking Water, the report is due July 1 of each year.

"I'm always pleased to inform our ratepayers that the quality of water they have been receiving met or exceeded strict federal and state standards," said PWD Water Quality and Regulatory Affairs Supervisor Amanda Thompson. "My staff and I are responsible for collecting and testing water

(more)

CCR...Page 2

samples throughout the year to ensure that our customers are receiving high-quality water. It's an important responsibility that we don't take lightly. When the annual CCR is published, we hope that customers take interest and learn about their water quality."

Last year, PWD completed more than 15,000 tests for over 80 regulated contaminants.

The CCR includes an easy-to-read Water Quality Data Chart that is divided into two standards – Primary and Secondary. Primary standards identify contaminants in water that may be immediately harmful to humans or affect their health if consumed for long periods of time. Secondary standards highlight water qualities related to aesthetics, such as taste, mineral content, odor, color and turbidity.

In addition to the water quality data, the comprehensive report has information about PWD's three water sources – State Water Project, Little Rock Dam and groundwater wells – and the amount supplied by each in 2024.

The new CCR can be viewed on the PWD website at https://www.palmdalewater.org/2024_ccr/. For hard copies in English and Spanish, please contact the Customer Care Department at 661-947-4111.

Since 1918, the Palmdale Water District has provided high-quality water at a reasonable cost. We pride ourselves on providing great customer care; advocating for local water issues that help our residents; educating the community on water-use efficiency; and leading our region in researching and implementing emerging technologies that increase operational efficiency. For more information about PWD, visit www.palmdalewater.org.

FROM A PRESS RELEASE

PALMDALE — Palmdale Water District customers wanting detailed information about their water quality can now access the newest Consumer Confidence Report, which shows the district's water met all federal and state guidelines in 2024.

The Consumer Confidence Report is an annual report detailing where the district's water comes from, what it contains and how it compares to drinking water standards set by the state. Required by the California State Water Resources Control Board Division of Drinking Water, the report is due July 1 of each year.

"I'm always pleased to inform our ratepayers that the quality of water they have been receiving met or exceeded

strict federal and state standards," district Water Quality and Regulatory Affairs Supervisor Amanda Thompson said. "My staff and I are responsible for collecting and testing water samples throughout the year to ensure that our customers are receiving high-quality water. It's an important responsibility that we don't take lightly. When the annual CCR is published, we hope that customers take interest and learn about their water quality."

Last year, the district completed more than 15,000 tests for more than 80 regulated contaminants.

The Consumer Confidence Report includes an easy-to-read Water Quality Data Chart that is divided into two standards — primary and secondary. Primary standards

identify contaminants in water that may be immediately harmful to humans or affect their health if consumed for long periods of time. Secondary standards highlight water qualities related to aesthetics such as taste, mineral content, odor, color and turbidity.

In addition to the water quality data, the comprehensive report has information about the district's three water sources — State Water Project Little Rock Dam and groundwater wells — and the amount supplied by each in 2024.

The new Consumer Confidence Report can be viewed on the district website at https://www.palmdalewater.org/2024_ccr/. For hard copies in English and Spanish, contact the Customer Care Department at 661-947-4111.
