

Consumer Confidence Report Certification Form

(To certify electronic delivery of the CCR, use the certification form on the State Board's website at
http://www.swrcb.ca.gov/drinking_water/certlic/drinkingwater/CCR.shtml)

Water System Name: City of Beverly Hills

Water System Number: CA 1910156

The water system named above hereby certifies that its Consumer Confidence Report notification cards were distributed on **6/12/2020** and posted the CCR on the City's website on **6/15/2020**. The system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water.

Certified by: Name: Jason W. Dyogi

Signature:

Title: Water Quality Specialist

Phone Number: (310) 285 - 2483

Date: 7/31/2020

To summarize report delivery used and good-faith efforts taken, please complete the below by checking all items that apply and fill-in where appropriate:

☒ CCR was distributed by mail or other direct delivery methods. Specify other direct delivery methods used: The CCR was posted on the City's website on 6/15/2020. Notifications cards were mailed to all non-paying and paying residents. Also additional notifications will be provide in the local "Backbone Newsletter" and City commission meeting.

☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:

☒ Posting the CCR on the Internet at <http://www.beverlyhills.org/departments/publicworks/utilities/waterservices/consumerconfidencereports/?NFR=1>

☒ Mailing the CCR to postal patrons within the service area **for those who requested hard copies.**

☒ Advertising the availability of the CCR in news media (attach copy of press release)

☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)

☐ Posted the CCR in public places (attach a list of locations)

☒ Delivery of multiple copies of CCR notification cards to single-billed addresses serving several persons, such as apartments, businesses, and schools

☐ Delivery to community organizations (attach a list of organizations)

☒ Other – Newsletter called the "Backbone" (attach a list of other methods used)

☒ For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following address: <http://www.beverlyhills.org/departments/publicworks/utilities/waterservices/consumerconfidencereports/?NFR=1>

☐ For investor-owned utilities: Delivered the CCR to the California Public Utilities Commission

This form is provided as a convenience for use to meet the certification requirement of the California Code of Regulations, section 64483(c).

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification).
URL: _____ www.
<http://www.beverlyhills.org/departments/publicworks/utilities/waterservices/consumerconfidencereports/?NFR=1>
- ☐ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www. _____
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

A total of 52,949 notifications were mailed to City of Beverly Hills and City of West Hollywood water customers, residents, and businesses utilizing a mailing house service on 06/12/2020. The post cards provided details on how to view the Consumer Confidence Report (CCR) online and how to request a hardcopy from the Water Utilities Bureau. Social Media postings for Facebook and Instagram were posted on 06/27/2020. A Powerpoint presentation and Q&A to the public was provided to the Public Works Commission on 07/09/2020. Another Powerpoint presentation and Q&A will be provided to the Health and Safety Commission in September 2020. A newsletter about the CCR was provided in July's water bills.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c), California Code of Regulations.

Summer Watering Tips Check your sprinkler settings

1. Water 3 days a week from now through September.
2. Water approximately eight minutes per station for overhead sprinklers and 15-20 minutes for drip systems.
3. Check your controller - Many gardeners have them set for four to seven days of watering.
4. For tips or assistance email AskPW@BeverlyHills.org or call (310) 285-2467.

Burton Way Median Project Status Update

The Burton Way median project is temporarily placed on hold while the City awaits to hear the status of three grant applications submitted to help fund this project. It is typical for grant agencies to not allow construction prior to grant award. The City originally planned for the construction to start in Summer 2020, but construction could be deferred until 2021. Any grant funding received would offset project costs and reduce the City's fiscal impact.

The Burton Way median project will be promoting sustainable landscaping by replacing approximately 4 acres of lawn turf with drought tolerant landscaping, thereby reducing irrigation demand by 75%. Irrigation will be self-sustaining by using captured urban runoff as a water source for the landscaping. This project is intended to promote local stormwater capture and is part of the City's ongoing efforts to identify projects to comply with stormwater regulatory requirements to protect the Ballona Creek watershed. Staff anticipates hearing about the application results by late Fall 2020. The community will be notified of the updated project timeline as soon as the City knows the results of its grant applications.

Thank you to our Community

Over the last couple of months, our Public Works staff has been challenged to stay healthy and maintain quality services for Beverly Hills. The COVID-19 pandemic has raised the bar on what it means to be a public servant and the Public Works staff strived to meet it.

In return, the Beverly Hills residents and businesses have shown an enormous amount of kindness and support towards the men and women of Public Works. With Beverly Hills Frontline Meals at the helm and strong support from PTA Council, residents and local residents, Public Works staff received appreciation lunches that put a smile on everyone's masked face.

The generous donations from our residents ensured staff was fed on days in which many businesses were closed either due to COVID-19 or curfews. This kindness made a difference in these unusual times. Thank you all for your support and for taking care of us while we were taking care of you. Stay safe.

Consumer Confidence Report

The City is happy to announce that we, once again, provided high quality drinking water in the 2019 calendar year. The Consumer Confidence Report (CCR) is an annual water quality report that requires water suppliers to inform customers where their water comes from, what is in their water, and any violations of standards that may have occurred. This annual report

requirement is mandated by the State Water Resources Control Board, under the Health & Safety Code §116470 and must be submitted to the Division of Drinking Water (DDW) local division office. The CCR can be found online at www.beverlyhills.org/2019BWaterqualityreport. If you would like a printed copy mailed to you, please call (310) 285-2467 or email AskPW@beverlyhills.org.

Free Community Shredding and Compost Event

The Public Works Department is happy to announce it will be hosting a free shredding and compost event to help community members securely dispose of confidential documents and pick up some compost for your garden.

When: Sunday, August 2nd

Time: 9:00 am to 12:00 pm

Where: Beverly Hills Farmer's Market-
9300 Block of Civic Center Dr.
