#### Annual Water Quality Report

The City is happy to announce that we, once again, provided high quality drinking water in the 2023 calendar year. The Consumer Confidence Report (CCR) is an annual water quality report that requires water suppliers to inform customers where their water comes from, what is in their water, and any violations of standards that may have occurred. This annual report requirement is mandated by the State Water Resources Control Board and must be submitted to the Division of Drinking Water (DDW) local division office. The CCR can be found online at [beverlyhills.org/waterqualityreport](http://beverlyhills.org/waterqualityreport). If you would like a printed copy mailed to you, please call (310) 285-2467 or email [askPW@beverlyhills.org](mailto:askPW@beverlyhills.org).
