**NOTICE OF ELECTRONIC DELIVERY OF THE 2022 ANNUAL WATER QUALITY REPORT  
FOR CITY OF VERNON CUSTOMERS**

**This notice contains instructions on how to obtain important information about your drinking water.**

Valued customer:

The Safe Drinking Water Act (SDWA) requires that the City of Vernon provide you with an annual Consumer Confidence Report (CCR). The CCR is an annual water quality report, the purpose of which is to raise customers' awareness of the quality of Vernon's drinking water, where their drinking water comes from, what it takes to deliver water to their homes or businesses, and the importance of protecting drinking water resources.

In the past, the City has mailed its customers a printed copy of the CCR to comply with the SDWA. In 2013, the State of California expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method allows the City to reduce the use of paper and minimize printing and mailing costs.

**AVISO DE ENTREGA ELECTRÓNICA DEL INFORME ANUAL DE CALIDAD DEL AGUA 2022  
PARA CLIENTES DE LA CIUDAD DE VERNON**

**Este aviso contiene instrucciones sobre cómo obtener información importante sobre su agua potable.**

Estimado cliente:

La Ley de Agua Potable Segura (SDWA, por sus siglas en inglés) requiere que anualmente la Ciudad de Vernon le proporcione un Consumer Confidence Report (CCR). El CCR es un informe anual de la calidad del agua, cuyo propósito es sensibilizar a los clientes sobre la calidad del agua potable de Vernon, de dónde proviene su agua potable, qué se necesita para suministrar agua a sus hogares o negocios, y la importancia de proteger los recursos de agua potable.

En el pasado, la Ciudad ha enviado por correo a sus clientes una copia impresa del CCR para cumplir con la SDWA. En 2013, el estado de California amplió su interpretación de la SDWA para permitir la entrega electrónica del CCR. El método de entrega electrónica le permite a la Ciudad reducir el uso de papel y minimizar los costos de impresión y envío.
