EXPLANATION OF BILL

Bills are issued every two months. Water is measured in units of 100 cubic feet (1 unit = 100 cu ft = 748 gallons). The Service Charge is determined by the number of billing units which is based on the meter size. This charge includes 500 cubic feet of water per billing unit per month. The billing units are shown on the front of the bill. Water used over the Service Charge usage is billed at the quantity rate. Some Districts have 'Other Charges' which are used for various projects such as upgrading existing water systems, replacement of mains, storage reservoirs, and other appurtenances to improve service. In certain Districts funds are used for emergency facility repairs, tank recoating and well construction.

The current charges on this bill are due upon presentation. We allow a 25 day grace period from the bill date before it becomes delinquent. The delinquent date is shown on the front of the bill. If payment in full is not received by this date a Shut Off Notice or Closing Bill Final Notice will be sent and a \$10 late fee may be assessed to your account.

NOTICE TO CUSTOMERS WITH PAST DUE PRIOR BALANCE ON WATER BILLS

Any prior balance shown on this bill is past due. **Accounts with a past due balance are subject to disconnection at any time.**

A Shut Off Notice is sent to provide warning that service will be terminated if payment is not received. Payment must be received and processed prior to the scheduled shut off date to avoid disconnection. Once the account is scheduled for shut off a service termination processing fee must be paid. Payments received the day of the scheduled shut off are not exempt from the fee. The amount of the fee is \$41 if payment is received before 3:00 pm on a regular business day and \$82 if the payment is received after 3:00 pm on a regular business day for same day restoration. Water service personnel are not allowed to accept payments in the field.

CLOSED ACCOUNT CREDIT REFUND

Refund of a credit balance on a closed account will be made by the District upon written request from the customer received no later than sixty (60) days after a notice is sent to the customer. Refund requests should be mailed to: Los Angeles County Waterworks Districts, 260 East Avenue K8, Lancaster, CA 93535. Your written request should include account/customer number, mailing address, telephone number, and account holder's signature.

ELECTRONIC CHECK PROCESSING

When you provide a check as payment, you authorize the County of Los Angeles to either use information from your check to make a one-time electronic fund transfer from your bank account or to process the payment as a check transaction. If we use information from your check to make an electronic fund transfer, funds may be withdrawn from your bank account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. However, the transaction will appear on your bank statement.
