Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

LVMWD utilized multiple outlets and platforms to notify the entirety of our service area that the 2025 Consumer Confidence Report was available. The primary notification method was a direct mail postcard. On this postcard there were instructions in both English and Spanish on how residents within our service area could request a paper copy of the CCR as was sent out to all addresses within our service area zip codes. Additionally, LVMWD advertised heavily in local newspapers that the CCR was

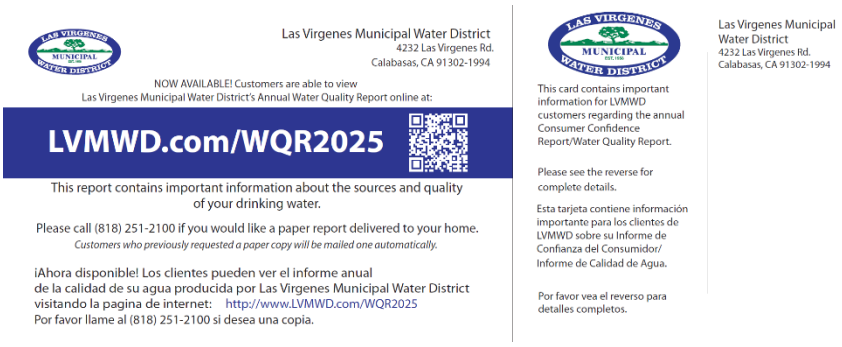

available, which included instructions on how residents could obtain paper copies if desired. The LVMWD Public Affairs staff has a list of the addresses for those who wished to receive a paper copy and then mailed them out.

This form is provided as a convenience and may be used to meet the certification requirement of
section 64483(c) of the California Code of Regulations.
