

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Lakewood-City, Water Dept.
Water System Number:	CA1910239

The water system named above hereby certifies that its Consumer Confidence Report was distributed on _____ (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Derek Nguyen, Ph.D., P.E	Title: Director of Water Resources
Signature: 	Date: 07/21/2025
Phone number: (562) 866-9771 ext. 2701	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: www.lakewoodca.gov/WaterQuality
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☒ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)

- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www.
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a directURL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.lakewoodca.gov/WaterQuality
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www.lakewoodca.gov/2024Waterqualityreport
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The City of Lakewood has made our 2024 CCR readily available to all residents
(and non residents) via a direct electronic link located on our City's publicly-viewable
Website (www.lakewoodca.gov/waterquality) and

www.lakewoodca.gov/2024waterqualityreport). City of Lakewood includes the link to
our electronic CCR on our utility bills on the back of the bill (see attached). The City
of Lakewood also includes the link to our CCR in the City's E-magazine (dated June
2025) which reaches all residents who have signed up to receive it, as well as those
Residents who have registered for online billing via our online portal. The City of
Lakewood also provides hard-copy reports to both City Hall and Water yard office
facilities for those interested parties who may not have access to the electronic CCR.
Lastly, the City of Lakewood "advertises" the electronic link to our 2024 CCR in the July
Issue of our local "Lakewood Community News" newspaper (see attached).

*This form is provided as a convenience and may be used to meet the certification
requirement of
section 64483(c) of the California Code of Regulations.*

Questions on trash, Greenwaste and recycling?

The fastest and best way to ask a question or request a service related to your trash, recycling, and greenwaste is directly with EDCO at **562-531-3054**.

EDCO customer service staff are available Monday-Friday, 7:30am to 5:30pm, and Saturdays from 8:00am to noon.

You can also get useful information on EDCO's website just for Lakewood customers at <https://lakewood.edcodisposal.com>

Frequent questions of requests for service include:

- Obtain addition carts/bins
- Schedule bulky item pickup
- My cart/bin got skipped today. What can I do?
- How to rent containers for garage clean-ups, construction, or renovations.

For the latest Water Quality Reports, please visit <https://www.lakewoodca.gov/WaterQuality>

ADDITIONAL PAYMENT METHODS

METHOD OF PAYMENT	HOW	WHERE	HOURS OF OPERATION
Online	Check, Visa, MasterCard, American Express, Discover, ACH Bank	www.Lakewoodcity.org/UtilityBill	24 hours, 7 days a week
By Mail (by Correspondence)	Check, Money Order, ACH Bank	PO Box 1038, Lakewood, CA 90714	24 hours, 7 days a week
In Person	Cash, Check, Money Order, Visa, MasterCard, American Express, Discover	5050 N. Clark Ave. Lakewood, CA 90714	Monday - Thursday 7:30am - 5:30pm Alternating Fridays 7:30am - 5:00pm
By Phone	Check, Visa, MasterCard, American Express, Discover, ACH Bank	Toll Free: 1-855-785-4021	24 hours, 7 days a week (Automated System)

Please note that your utility bill is due and payable as of the date shown on the bill. Once the disconnection notice is delivered and/or service is disconnected for nonpayment, the water service account is subject to processing fees below. These fees are based on a study of what it actually costs to carry out the service or processing involved.

- Delinquent Fee \$113.00

Additional fees may be assessed for returned checks, after hours call-outs, and for tampering with the meter.

- Returned Check Fee \$ 37.00
- After Hours Fee (non-delinquent(emergency) \$ 48.00
- Tamper Fee (1st Occurrence) \$ 159.00
- Tamper Fee (2nd Occurrence) \$ 189.00

PAYMENT INFORMATION

IMPORTANT INFORMATION FOR CUSTOMERS PAYING BY CHECK

When you pay your bill by check, you authorize us to electronically process your check. If your check is processed electronically, your checking account may be debited the same day we receive the check and it will not be returned with your checking account statement. If someone other than you or a bill paying service pays your bill, you must notify them of this policy. Electronic check conversion is simply a process where your paper check is converted to an electronic payment from your account. Your check is copied and stored and the original check is destroyed. In most cases, your payment will show as an ACH or electronic debit. For more information regarding this process, visit the Federal Reserve internet site at <http://www.federalreserve.gov> or <http://electronicpayments.org>.

Water Quality Report

Briefs

How you can help local schools and students

Thanks to generous donations from Lakewood residents and businesses, the Lakewood Education Foundation (LEF) has been able to give grants for hundreds of classroom improvement projects in Lakewood schools since beginning in 2003. This past year, 126 classroom projects in schools across Lakewood were funded for a total of \$60,425. This level of contributions came in amounts large and small and shows the importance that Lakewood residents and businesses place on our local schools...and the trust they place in LEF to select worthy projects.

LEF is a non-profit group run by Lakewood residents. An annual fireworks stand, October golf tournament, and lots of individual donations raise the annual support

funding. After very modest expenses, 100% of donations reach kids in Lakewood classrooms at 22 schools, representing all four school districts with campuses in Lakewood and three private schools.

The most popular request by teachers was for books, classroom technology, classroom storage, sensory learning materials for special needs, robotics supplies, field trips and much more.

You can help for this coming school year by making a donation. Any size is appreciated and put to good use.

Donating is easy. Just make out a separate check to the Lakewood Education Foundation and enclose it with the completed form below.

See a video and learn more about LEF at www.lakewoodca.gov/LEFvideo.

Please make your donation with a separate check made payable to the **Lakewood Education Foundation** and enclose it with this completed form in the small light blue envelope provided.

☐ Enclosed is my check made payable to LEF.

Name: _____

Address: _____

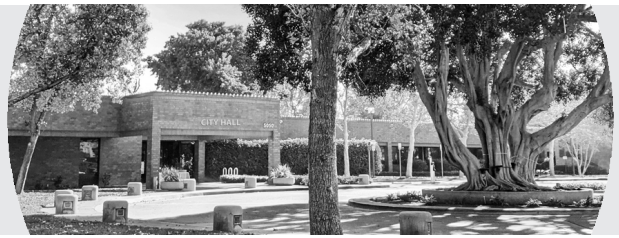

Home phone: _____ Cell phone: _____

Email: _____

The federal tax identification number is 26-2190892. Your donation is tax deductible. The Lakewood Education Foundation is a 501 (c) 3 non-profit organization. State ID #26-2190892.

Are you using the right envelope? Use the large white envelope to pay your utility bill. That way, your payment will go directly to the city's payment processing center. To donate to LEF, please use the small light-blue envelope provided. If you would like to use your own envelope, you can mail your donation to: **Lakewood Education Foundation**, c/o Lakewood City Hall, 5050 Clark Avenue, Lakewood, CA 90712.

LAKEWOOD *Connect*

Stay connected with Lakewood eMagazine

With the City of Lakewood's free eMagazine, Lakewood Connect, you'll get news about Lakewood events and services sent to your inbox about once a week.

Lakewood Connect gives you the latest on:

- Holiday service changes to trash and street sweeping.
- Fun and helpful Lakewood events.

Check out the latest edition and sign up at
www.lakewoodca.gov/subscribe

Over 40,000 Lakewood residents have signed up for **Lakewood Connect** – one of the largest subscription rates of any city in our region.

Use Bulky Item Pickup to get rid of unwanted household items

The program provides an easy and convenient way to get rid of large, unwanted household items, including mattresses, water heaters, sofas and chairs.

To schedule a Bulky Item Pickup, call Lakewood's disposal contractor, EDCO, at 562-531-3054, before 3:30 p.m. at least one day prior to your regular trash collection day. The service is free but limited to six pick-ups a year per single family residence, with up to six items per pick-up.

E-waste, such as TVs and computer equipment, should not be placed in your regular trash. E-waste can be disposed of through a Bulky Item Pickup or at EDCO's transfer station in Signal Hill.

For more information on waste collection and disposal of e-waste, hazardous waste like paint, oil and household chemicals, please visit **www.cleanla.com**.

The City of Lakewood encourages residents to consider giving unwanted items a second life by having them re-used rather than trucked to a land-fill. There are numerous local shelters, non-profits, repair shops, thrift stores and second-hand stores that may be willing to take unwanted household items. Go to **www.lakewoodca.gov/bulkystuff** for a list of local agencies that welcome donations. Some even pick up for free.

.....➔ **Call EDCO at 562-531-3054**

WATER QUALITY REPORT

Lakewood's 2024 Water Quality Report shows that the city's drinking water continues to meet all federal and state quality standards. You can view the most recent report at **www.lakewoodca.gov/waterquality**. If you want a copy of the report or have any questions, contact the Lakewood Department of Water Resources at 562-866-9771, extension 2700.

Music, food and family fun at the Civic Center Block Party

Get ready for a rockin' good time, plenty of food, kids activities and a big, professional fireworks show coming to Clark Avenue and the Lakewood Civic Center on Saturday, June 28.

The Lakewood Civic Center Block Party begins at 4 p.m. with the Family Fun Zone activity area for kids and families and the "On the Block" Food Court, showcasing local restaurants.

Live entertainment from Pop Vinyl starts at 5 p.m.

[Get all the details on the Block Party](#)

Council Recap: Key public works projects to improve streets, safety and senior services

At Tuesday night's meeting, Lakewood City Council Members approved three public works projects that continue to raise the bar on community infrastructure, reaffirming its long-standing commitment to maintaining top-quality services and enhancing quality of life.

Enduring Commitment to Smooth Streets

Lakewood has a longstanding reputation for its well-maintained streets, and the council will continue that legacy with over \$12 million allocated to repaving work. Covering approximately 13 linear miles of primarily residential roads and alleys, the project will be funded through a combination of Proposition C, Measure R and Measure M exchanged funds. This move is part of Lakewood's unique commitment to continuously repave 100% of its streets—a promise already achieved once and now being upheld through ongoing investment.

Safer Roads Through Traffic Calming

In a proactive effort to increase traffic and pedestrian safety, the council is also launching a pilot traffic calming program, starting with Palo Verde Avenue. The first of three planned streets (with Clark Avenue and Studebaker Road to follow), the pilot may include speed feedback signs, improved signage and striped bulb-outs to reduce vehicle speeds and increase safety. Final details of the measures will be brought forward in a future council session.

[Learn about enhancing services for seniors](#)

Used Motor Oil Filter Exchange on June 28

Do you change your vehicle's oil? Exchange your used oil filter for a new one...for free. Join us at O'Reilly Auto Parts, 5511 Woodruff Ave., on Saturday, June 28, 9 a.m. to 12 p.m. to get your free oil filter.

This event is for Lakewood residents only. Remember to bring your ID.

- To receive a new filter, you must bring a used one. You can exchange up to two filters per household. The voucher (\$15 maximum per voucher) must be redeemed during event hours, while supplies last.
- Participants will also receive an [oil change recycling kit](#) FOR FREE.
- We'll also be accepting used motor oil for recycling. Please ensure it's stored in a clean container no larger than five gallons.

This is a great way to recycle and do your part for the environment. Plus, it's a chance to chat with fellow car enthusiasts and maybe pick up some tips and tricks. Don't miss out on this opportunity to make a difference!

Visit lakewoodca.gov/OilRecycling for the event flyer and other resources.

Farmers Market closed June 28

Due to the Civic Center Block Party, the Lakewood Farmers Marketplace will be closed on Saturday, June 28.

The Farmers Marketplace will return the following Saturday, July 5.

You can still visit the Farmers Marketplace at the corner of Clark and Spring on Sunday, June 29 from 8 a.m. to 2 p.m.

Memorial Day commemoration (photos and video)

One of Lakewood's enduring traditions is honoring the men and women who have protected and served our nation. At the city's Memorial Day ceremony on May 26, the City Council thanked every veteran by generation for their service and, as is tradition, the council once again read the names of the 43 Lakewood young men who died in Vietnam and honored all those who have given their lives in service to our nation.

Watch the [CityTV video of the Memorial Day event](#).

[See photos from the Memorial Day ceremony](#)

Concerts in the Park: The Eric Sage Band on June 26

The Eric Sage Band performs country favorites at the next Concerts in the Park event on Thursday, June 26.

Thanks to the support of our generous sponsors, the concerts feature a variety of music styles, providing residents with a relaxing evening of family fun in the grove at Del Valle Park at the intersection of Woodruff Avenue and Arbor Road.

The Woodruff service road will remain open until 5:30 p.m. for patron drop off. Each concert starts at 6:30 p.m.

This week's food vendors are:

- 4 Wheel Burger
- Wise BBQ
- Taco Bite
- Coco's Lipsmacking Cupcakes

There will be no concert on July 3.

Attendees may also bring their own picnic basket. Lawn chairs and blankets are encouraged. Barbeques and alcoholic beverages are prohibited.

Dogs are not permitted in Lakewood parks, especially during crowded events like concerts where people gather closely to enjoy music, food and fun. City staff will be on hand each Thursday to politely but firmly enforce this rule.

[See the full lineup of concerts, food trucks and sponsors](#)

Water Quality Report for 2024

The City of Lakewood's 2024 Water Quality Report shows that the city's drinking water continues to meet all federal and state quality standards.

[View the report here.](#)

With higher temperatures expected, more water will likely be used throughout the city. You can help by continuing to follow the best practices for efficient water use.

[Tips for water conservation](#)

One-day delay for trash pickup on July 4

As Lakewood's trash contractor, EDCO, is closed on the Fourth of July, trash pickup for Friday, July 4 will be done on Saturday, July 5.

There will be no street sweeping in residential areas or DASH transit service on July 4.

City Hall will be closed on July 4 because it falls on the regularly scheduled alternating Friday closure. [See the calendar for alternating Friday closures.](#)

As a result, City Hall will be closed in observance of the Independence Day holiday on Monday, July 7. However, trash pickup and sweeping on July 7 will continue as usual.

[How to get service when City Hall is closed](#)

Free vacation check program helps protect your home

If you plan to be away from home for a few days or more, it's always a good idea to ask for a free vacation check from the Lakewood Sheriff's Station.

The program involves Lakewood Sheriff's Volunteers on Patrol (VOPs) monitoring your house while you are away.

If possible, request a vacation check at least a week before your trip.

You can either:

- Call Lakewood Station at [562-623-3500](tel:562-623-3500) to request a vacation check.
- Complete the [Vacation Request form](#) and email it to Lakewood Station at LakewoodVacationChecks@lasd.org.

[Tips to help keep your home safe while you're away](#)

Lakewood authorized safe-and-sane fireworks stands

Celebrate the Fourth of July in a legal way with “safe and sane” fireworks purchased in Lakewood at booths sponsored by local nonprofit community organizations, including the Lakewood Education Foundation, Lakewood Jaycees, booster clubs from Artesia, Lakewood and Mayfair High Schools and others.

Booths are open from 8 a.m. to 10 p.m. starting Tuesday, July 1 through Friday, July 4.

“Safe and sane” fireworks do not explode, go into the air or have sound that travels far, and they are the only fireworks approved by the CA State Fire Marshal. They can legally be used in Lakewood and only on July 4 between 10 a.m. and 11 p.m.

Lakewood families can have plenty of celebratory fun with “safe and sane” fireworks and stay legal and considerate of neighbors at the same time.

[Check this map](#) for locations of the authorized fireworks booths in Lakewood.

Family Nights at McCormick Pool

Family Swim Nights are offered at McCormick Pool every Friday through Aug. 22.

For June 27, the theme is Soak & Sing. Take a soak in the pool while joining in a singalong of family fun tunes.

Admission is \$3 per Lakewood resident (must show valid adult ID and proof of Lakewood residency) and \$5 per non-resident.

[See the Family Swim Night lineup.](#)

How to register for Project Shepherd backpack program

Registration for the Project Shepherd Backpack Program begins Monday, June 23 and ends Monday, July 28.

Children ages 3-18 (preschool through high school) are eligible to receive a backpack.

Lakewood residents can call the Burns Community Center at [562-925-7512](tel:562-925-7512) to register over the phone.

Backpacks will be distributed the second week of August by appointment.

[See the flyer](#) for details on registering for (and donating to) the program.

New Lakewood Transit Guide

Every summer, the City of Lakewood produces a Transit Guide to give residents updated information on bus, metro rail, bike and other options for commuting without driving. The guide also includes information about Lakewood's free DASH transit bus for seniors and disabled residents.

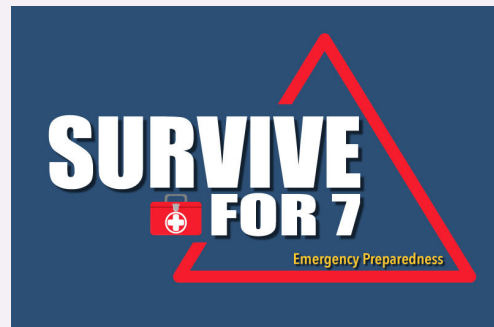

In the Transit Guide, you'll find travel planning tools, transit tips for new and veteran riders, and answers to your questions on getting around by bus, train and bike. As Lakewood residents work and play this summer, they'll find that the Southland's transit agencies are ready to speed them on their way.

This year's new Lakewood Transit Guide is available at lakewoodca.gov/Transit or by calling city staff at 562-866-9771, ext. 2140.

Survive for 7 on July 8

Emergencies and natural disasters can happen anytime, anywhere. Do you have your emergency supplies stocked and ready, just in case?

If not, please join the next free emergency preparedness seminar, Survive for 7, on Tuesday, July 8 at 6 p.m. at the Burns Community Center.

No registration is needed and all ages are welcome.

You will learn about the types of regional emergencies and disasters that can impact Lakewood, and what you can do to prepare yourself and your family to survive in the seven days following a disaster when help may not be available.

The session runs about 90 minutes and concludes with a free raffle for all in attendance.

The Burns Community Center is located at 5510 Clark Ave.

Call the Lakewood Public Safety Department at 562-866-9771, ext. 2114 for more information.

Water Quality

Lakewood's water quality report gives the results of water quality tests mandated by state and federal drinking water standards. The city's water comes exclusively from the city's deep wells, all located in the city, which lies within the Central Groundwater Basin.

Environmentally friendly projects

Bioretention Wells Filter
Lakewood Runoff

has grown in recent years throughout California and the nation.

“It doesn’t matter whether a community allows or disallows ‘Safe and Sane’ fireworks. The problem of illegal fireworks is the same in both types of communities,” says Lakewood City Manager Thaddeus McCormack.

“Despite the challenges, Lakewood is known throughout Southern California as a city that does everything it can to deter and reduce the use of illegal fireworks,” says McCormack.

- No sprinkler runoff to sidewalks, gutters and other landscape.
- No washing of cars and equipment, except from a bucket or hose with an automatic shut-off nozzle.

Additionally, in commercial and industrial settings, the statewide restriction remains against the watering of “non-functional” turf (solely ornamental and not used for recreation or gatherings). This rule does not apply to residential water users.

“We appreciate our Lakewood residents for their continued efforts to use water efficiently,” said Lakewood Water Resources Director Dr. Derek Nguyen. “They help our community protect and preserve the water we have today for many years to come.”

If you want a printed copy of the Water Quality Report or have any questions about water conservation, contact the Lakewood Department of Water Resources at 562-866-9771, ext. 2700.

Lakewood Water Quality Report and conservation update

The City of Lakewood’s 2024 Water Quality Report shows that the city’s drinking water continues to meet all federal and state quality standards.

You can view the report at www.lakewoodca.gov/waterquality.

With higher temperatures ahead, water use will certainly increase. To help conserve this precious resource, the City

of Lakewood recommends residents continue to follow these best practices:

- No landscape watering within 48 hours of rainfall.
- No hosing off sidewalks, driveways and other hardscapes.
