

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	Lakewood-City, Water Dept.
Water System Number:	CA1910239

The water system named above hereby certifies that its Consumer Confidence Report was distributed on July 1, 2026 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Derek Nguyen, Ph. D., P.E., BCEE	Title: Director of Water Resources
Signature: 	Date: 07/01/2026
Phone number: 562-866-9771 ext 2701	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: www.lakewoodca.gov/WaterQuality
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☒ Posted the CCR in public places (attach a list of locations)
 - ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools

- ☐ Delivery to community organizations (attach a list of organizations)
- ☒ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.lakewoodca.gov/WaterQuality
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification).
URL: https://www.lakewoodca.gov/2025WaterQualityReport
Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the
- ☐ body of an email, not as an attachment (attach a copy of the emailed CCR).
Requires prior DDW review and approval. Water system utilized other
- ☐ electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The City of Lakewood has made our 2025 CCR readily available to all residents
(and non residents) via a direct electronic link located on our City's publicly-viewable
Website (<u>www.lakewoodca.gov/waterquality</u> and

https://www.lakewoodca.gov/2025WaterQualityReport).
City of Lakewood includes the link to our electronic CCR on our utility bills on the back of the bill (see attached). The City of Lakewood also includes the link to our CCR in the City's E-magazine (dated June 2026) which reaches all residents who have signed up to receive it, as well as those Residents who have registered for online billing via our online portal. The City of Lakewood also provides hard-copy reports to both City Hall and Water yard office facilities for those interested parties who may not have access to the electronic CCR.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

Music, food and family fun at the Civic Center Block Party

Family fun, a rockin' good time and a big, professional fireworks show return to Clark Avenue and the Lakewood Civic Center on Saturday, June 27.

In celebration of America's Semiquincentennial Anniversary, there will be special additional components to this Lakewood summer tradition.

The Block Party will stretch from the Civic Center parking lot (at Hardwick Street) southbound along Clark Avenue to Del Amo Boulevard.

Event schedule:

- 4 - 9 p.m. Family Fun Zone and "On the Block" Food Court of local restaurants
- 5 - 9 p.m. Live entertainment by classic rock band **Pop Vinyl**.
- 9:15 p.m. Professional fireworks show to cap off the evening!

Pop Vinyl will perform a variety of rock hits and patriotic music. Concert seating is on Clark Avenue in front of City Hall. Bring your low-back chair or blanket and your dancing shoes!

Driving and parking

Clark Avenue will be closed between Candlewood Street to Del Amo Boulevard before the start of the Block Party. Use Civic Center Way to access free parking behind City Hall and The Centre.

Plan ahead as parking for RVs and recreational trailers will not be available at Lakewood City Hall or Lakewood Center Mall.

Questions?

Call city staff at [562-866-9771](tel:562-866-9771), ext. 2408 or email ecatalog@lakewoodca.gov.

To request disability-related accommodations to participate in this event, please call the phone number above or email AccessRecreation@lakewoodca.gov.

[More details on the Civic Center Block Party](#)

Farmers Market closed June 27

Due to the Block Party on the same day, the Lakewood Farmers Marketplace on the corner of Clark Avenue and Del Amo Boulevard will be closed.

The Farmers Marketplace will return the following Saturday, July 4 from 8 a.m. to 1 p.m.

You can visit the nearby Farmers Marketplace of Long Beach on Sunday, June 28 from 8 a.m. to 1 p.m. at 5000 E. Spring St. (corner of Clark Avenue and Spring Street). Ample parking is available in the lot adjacent to the market.

Council Recap: Traffic calming improvements approved

At last night's meeting, the Lakewood City Council voted to move forward with permanent traffic calming improvements on Palo Verde Avenue and Studebaker Road, following a public study session and council discussion.

Traffic calming measures slow vehicles and improve safety for drivers and pedestrians. The Lakewood projects include updated striping, signage, lane adjustments and traffic circles or roundabouts at key intersections.

The improvements were developed as temporary pilot measures to be evaluated before becoming permanent. During council discussion, members emphasized responding to long-standing neighborhood concerns while refining the designs based on resident feedback and real-world use.

During the study session, it was reported that the data showed that the goals for both projects were achieved through the pilot program phase. The Palo Verde Avenue project proved to reduce speeding, improve driveway access, reduce stop sign violations and address unsafe driving behaviors near Candlewood Street, while the Studebaker Road project also showed reduced speeds, discouraged reckless driving, improved pedestrian access to Rynerson Park and increased parking for park users with approximately 100 more spaces added.

The projects grew out of several years of traffic safety analysis and community feedback, including city traffic safety plans and studies, Sheriff's Department service request history and resident traffic-related service requests. Those efforts identified both corridors as priority areas with overlapping safety concerns and a history of resident requests.

Staff said the final designs would include adjustments to geometry, striping, signage and related features to improve navigation, visibility and access. The city will also look for opportunities to conduct additional public outreach on final design elements where feasible.

The council's action allows the city to proceed with permanent improvements while incorporating final adjustments to improve safety, access and traffic flow.

Water Main Replacement Project FY 26

Improving Water Quality, Fire Protection & Water Supply Reliability

**JUNE
2026
to
APRIL
2027**

Street	Between	And
1. Clubhouse Dr.	Carson St.	N of Cartagena St.
2. Canehill Ave.	South St.	930 ft N of South St.

11. Del Amo Blvd.	Paramount Blvd.	Silva St.

Water main replacement project begins

The City of Lakewood has begun preparation work for an upcoming water main replacement project on sections of the city's water system.

Starting this week, crews are checking the locations of existing underground utilities in areas where the work will take place. This early preparation may require temporary lane or street section closures for crew safety, but residents will continue to have driving access.

The first waterline improvement is expected to begin on Clubhouse Drive between East Carson Street and north of Cartagena Street in late July. Work will continue in phases, with the final improvements on Del Amo Boulevard between Paramount Boulevard and Silva Street scheduled for completion in spring 2027.

Once construction begins, residents on affected streets will receive notice from the contractor 48 hours before work starts in their area. During installation, there may be short periods when driveway access or curbside parking is temporarily unavailable. Urgent access needs can be accommodated.

The streets affected, in order of construction, are:

- Clubhouse Drive (between Carson Street and north of Cartagena Street)
- Canehill Avenue (between South Street and 930 feet north of South Street)
- Hayter Avenue (between Del Amo Boulevard and Candlewood Street)
- Levelside Avenue (between Del Amo Boulevard and Deerford Street)
- Allred Street (between Downey Avenue and Coke Avenue)
- Deerford Street (between Downey Avenue and Coke Avenue)
- Castana Avenue (between Del Amo Boulevard and Arbor Road)
- Oliva Avenue (between Del Amo Boulevard and Arbor Road)
- Pimenta Avenue (between Del Amo Boulevard and Arbor Road)
- Downey Avenue (between Del Amo Boulevard and Deerford Street)
- Del Amo Boulevard (between Paramount Boulevard and Silva Street)

For questions, contact Lakewood's Water Resources Department at [562-866-9771](tel:562-866-9771), ext. 2700.

Memorial Day commemoration (VIDEO)

One of Lakewood's enduring traditions is honoring the men and women who have protected and served our nation. At the city's Memorial Day ceremony on May 25, the City Council thanked every veteran by generation for their service and, as is tradition, the council once again read the names of the 43 Lakewood young men who died in Vietnam and honored all those who have given their lives in service to our nation.

[Watch CityTV's video of the Memorial Day event](#)

Summer Concerts in the Park: Blue Breeze Band

The 2026 Concerts in the Park series continues on Thursday, June 25 with the funk/soul/R&B sounds of Blue Breeze Band.

The concerts feature a changing variety of music styles, providing residents with a relaxing evening of family fun in the grove at Del Valle Park at the intersection of Woodruff Avenue and Arbor Road.

The Woodruff service road will remain open until 5:30 p.m. for patron drop off. There will be no vehicle access after 5:30 p.m. including golf carts, utility vehicles, electric carts, etc. Each concert starts at 6:30 p.m.

Dinner and refreshments will be sold, or attendees may bring their own picnic basket. Lawn chairs and blankets are encouraged. Pets, barbeques and alcoholic beverages are prohibited.

Concerts in the Park are solely supported by generous area businesses and concert patrons.

Visit the [Summer Concert Series page](#) for the complete schedule, including weekly featured food trucks, or call [562-866-9771](tel:562-866-9771), ext. 2408.

Water Quality Report for 2025

The City of Lakewood's 2025 Water Quality Report shows that the city's drinking water continues to meet all federal and state quality standards.

[View the 2025 report here.](#)

With higher temperatures expected, more water will likely be used throughout the city. You can help by continuing to follow the best practices for efficient water use.

[Tips for water conservation](#)

Summer activities for teens

Teens ages 12 to 17 are invited to join in the fun activities held on Saturdays at the two teen centers in Lakewood.

July events are:

- July 11 at 11 a.m.: Staff vs. Teens Kickball at Lakewood Youth Center
- July 18 at 11 a.m.: Lego Days (activity #33594) at Teen Resource Center
- July 25 at 11 a.m.: Staff vs. Teens Water Games at Lakewood Youth Center

[Get more details on the Saturday scheduled events](#)

July 3 service updates

Lakewood City Hall will be closed Friday, July 3 as it falls on the regularly scheduled alternating Friday closure.

[See the calendar for alternating Friday closures.](#)

City Hall will be open and all services as usual on Monday, July 6.

Services on July 3:

- Trash pickup as usual.
- No street sweeping or makeup sweep in residential areas on July 3.
- DASH service as usual.

Lakewood-authorized safe-and-sane fireworks stands

Celebrate the Fourth of July in a legal way with “safe and sane” fireworks purchased in Lakewood at booths sponsored by local nonprofit community organizations, including the Lakewood Education Foundation, Lakewood Jaycees, booster clubs from Artesia, Lakewood and Mayfair High Schools and others.

Booths are open from 8 a.m. to 10 p.m. starting Wednesday, July 1 through Saturday, July 4.

“Safe and sane” fireworks do not explode, go into the air or have sound that travels far, and they are the only fireworks approved by the CA State Fire Marshal. They can legally be used in Lakewood and only on July 4 between 10 a.m. and 11 p.m.

Lakewood families can have plenty of celebratory fun with “safe and sane” fireworks and stay legal and considerate of neighbors at the same time.

How to report illegal fireworks

If you see or hear illegal fireworks currently in use, call the Lakewood Sheriff's Station at [562-623-3500](tel:562-623-3500).

If illegal fireworks are not currently in use, but you know the address where they are repeatedly being used, the best way to report it is by using the [Lakewood Connect App](#).

If you see illegal fireworks in process
CALL 562-623-3500

Get ready by [downloading the app to your smartphone](#) (Apple App store or Google Play) in advance.

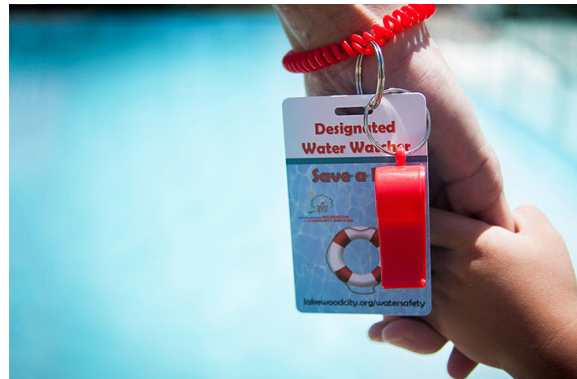

Or, you can report known addresses of repeat illegal fireworks users by calling City Hall's customer service team during business hours at [562-866-9771](tel:562-866-9771) ext. 2140, or by leaving a voicemail on the city's Tip Line at [562-866-9771](tel:562-866-9771) ext. 2140 after hours.

Illegal fireworks can be surrendered at the Lakewood Sheriff's Station or any L.A. County Fire Station (there are three in Lakewood). No questions asked.

Save-A-Life event on July 11

Help your family stay safer around water this summer at a free water safety event on Saturday, July 11 from 11 a.m. to 12:30 p.m. at Mayfair Pool.

Families can take part in a free, 30-minute swim lesson focused on water safety for children and parents. All ages are welcome, with lesson times offered at 11 a.m., 11:30 a.m. and 12 p.m.

The event will also include water safety and CPR information, activity stations, life jacket fittings and information about the Water Watcher program. Families can also receive a free Water Watcher tag.

Approved swimsuits are required. Swim diapers are required for children ages 4 and under.

No registration is needed for the event.

To register for the free swim lessons, [visit the online eCatalog](#) and use the keyword **savealife**. You can also call Mayfair Pool at [562-804-4256](tel:562-804-4256) for assistance.

To request a disability-related accommodation to participate, including assistance with registration, please contact the Recreation and Community Services Department at [562-866-9771](tel:562-866-9771), ext. 2408 or email AccessRecreation@lakewoodca.gov.

Family Swim Nights at McCormick Pool

Bring out the whole family to cool off on Friday evenings this summer from June 19 through Aug. 21 at McCormick Pool in Lakewood's Bolivar Park from 6:45 to 8:15 p.m.

Coming up:

June 26: Sundae Fun-Day

Get to the pool as fast as you can for a free ice cream sundae! The first 100 swimmers will receive a free treat!

July 3: Splish Splash Red, White and Blue Bash

Join us for our Red, White and Blue swim party. Attendees will be entered into a drawing for a special Independence Day prize.

Admission is \$3 per Lakewood resident and \$5 per non-resident. Must show valid adult ID.

[See the full Family Swim Nights schedule](#)

Register for the Project Shepherd Backpack Program

Lakewood residents who have school-aged children from preschool to 12th grade can register to receive a free backpack with school supplies for the upcoming school year.

The registration period to receive help from Project Shepherd continues through Monday, July 27.

Eligibility requirements:

- Lakewood residents only.
- Those who are low-income, unemployed or facing economic hardship

For information on how to register for (or donate to) the program, visit the [Project Shepherd Backpack Program page for details](#).

New Lakewood Transit Guide

Every summer, the City of Lakewood produces a Transit Guide to give residents updated information on bus, metro rail, bike and other options for commuting without driving.

The guide also includes information about Lakewood's free DASH transit bus for seniors and disabled residents.

In the Transit Guide, you'll find travel planning tools, transit tips for new and veteran riders, and answers to your questions on getting around by bus, train and bike. As Lakewood residents work and play this summer, they'll find that the Southland's transit agencies are ready to speed them on their way.

[View this year's Lakewood Transit Guide](#) or contact city staff at [562-866-9771](tel:562-866-9771), ext. 2140 or Service1@lakewoodca.gov to request a copy.

Learn how to "Survive for 7" days on July 14

Emergencies and natural disasters can happen anytime, anywhere. Do you have your emergency supplies stocked and ready, just in case?

If not, please join the next free emergency preparedness seminar, Survive for 7, at 6 p.m. on Tuesday, July 14 at the Burns Community Center.

No registration is needed and all ages are welcome.

You will learn about the types of regional emergencies and disasters that can impact Lakewood, and what you can do to prepare yourself and your family to survive in the first seven days following a disaster when help may not be available.

Each session concludes with a free raffle for those in attendance.

The Burns Community Center is located at 5510 Clark Ave., Lakewood.

UPDATE: Lakewood City Council District 2 results

City Council seats for Districts 1, 2 and 5 were scheduled for election this year. Because the incumbents in Districts 1 (Todd Rogers) and 5 (Cassandra Chase) were the only candidates to file, those seats were filled by appointment rather than election. Candidates were included on the ballot for residents in District 2 only.

As of 3:30 p.m. on Thursday, June 18, 4,570 Lakewood ballots have been counted by the Los Angeles County Registrar of Voters.

Below are the current vote counts and percentages for each candidate in the District 2 election.

- Carlos Aguilar: 10.48% (479 votes)
- Manuel Jimenez: 13.26% (606 votes)
- Ahmed Rafi: 10.96% (501 votes)
- Laura Sanchez-Ramirez: 16.26% (743 votes)
- Rudy Villarreal: 49.05% (2,241 votes)

[Check current L.A. County Registrar election results.](#)

Questions on trash, Greenwaste and recycling?

The fastest and best way to ask a question or request a service related to your trash, recycling, and greenwaste is directly with EDCO at **562-531-3054**.

EDCO customer service staff are available Monday-Friday, 7:30am to 5:30pm, and Saturdays from 8:00am to noon.

You can also get useful information on EDCO's website just for Lakewood customers at <https://lakewood.edcodisposal.com>

Frequent questions of requests for service include:

- Obtain addition carts/bins
- Schedule bulky item pickup
- My cart/bin got skipped today. What can I do?
- How to rent containers for garage clean-ups, construction, or renovations

For the latest Water Quality Reports, please visit <https://Lakewoodca.gov/WaterQuality>

ADDITIONAL PAYMENT METHODS

METHOD OF PAYMENT	HOW	WHERE	HOURS OF OPERATION
Online	Check, Visa, MasterCard, American Express, Discover, ACH Bank	www.Lakewoodca.gov/UtilityBill	24 hours, 7 days a week
By Mail (by Correspondence)	Check, Money Order, ACH Bank	PO Box 1038, Lakewood, CA 90714	24 hours, 7 days a week

Please note that your utility bill is due and payable as of the date shown on the bill. Once the disconnection notice is delivered and/or service is disconnected for nonpayment, the water service account is subject to processing fees below. These fees are based on a study of what it actually costs to carry out the service or processing involved.

- Delinquent Fee \$113.00

Additional fees may be assessed for returned checks, after hours call-outs, and for tampering with the meter.

- Returned Check Fee \$ 37.00
- After Hours Fee (non-delinquent(emergency) \$ 48.00
- Tamper Fee (1st Occurrence) \$ 159.00
- Tamper Fee (2nd Occurrence) \$ 189.00

PAYMENT INFORMATION

IMPORTANT INFORMATION FOR CUSTOMERS PAYING BY CHECK

When you pay your bill by check, you authorize us to electronically process your check. If your check is processed electronically, your checking account may be debited the same day we receive the check and it will not be returned with your checking account statement. If someone other than you or a bill paying service pays your bill, you must notify them of this policy. Electronic check conversion is simply a process where your paper check is converted to an electronic payment from your account. Your check is copied and stored and the original check is destroyed. In most cases, your payment will show as an ACH or electronic debit. For more information regarding this process, visit the Federal Reserve internet site at <http://www.federalreserve.gov> or <http://electronicpayments.org>.
