SENT VIA EMAIL: chau.tran@waterboards.ca.gov

Chau Tran, Water Resource Control Engineer
California Department of Public Health
Southern California Branch, Drinking Water Field Operations
500 North Central Avenue, Suite 500
Glendale, CA 91203

Subject: 2023 Consumer Confidence Report reporting 2022 Water Quality Data

Dear Chau Tran,

Pursuant to Section 64483(c), Title 22, California Code of Regulations which requires a water system to “mail a copy of the ... [CCR] to the Department, followed within 3 months by a certification that the report has been distributed to customers, and that the information is correct and consistent with the compliance monitoring data previously submitted to the Department”, enclosed are Santa Clarita Valley Water Agency-Valencia Water Division’s 2023 CCR and CCR Certification Form.

If you require any additional information, you can contact me at 661-259-1635 or janderson@scvwa.org.

Sincerely,

Jenny Anderson
Water Quality Specialist

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	SCV Water – Valencia Water Division
Water System Number:	1910240

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 5/24, 6/7, 6/14, 6/21 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Jenny Anderson	Title: Water Quality Specialist
Signature: 	Date: 6/26/2023
Phone number: (661) 259-1635	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: www. <https://yourscvwater.com/water-quality/#waterqualityreports>
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☒ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☒ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)

- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☐ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☒ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www. <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www. <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

We mailed a notification that the CCR is available and provided a direct URL to the SCV Water website. We used electronic delivery methods through our billing system

as described in the Guidance for Electronic Delivery of the Consumer Confidence Report. Hard copies made available upon request.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

APPLICATIONS ARE NOW BEING ACCEPTED FOR SCV WATER'S PILOT RATEPAYER ASSISTANCE PROGRAM

Need help paying your water bill? Apply for SCV Water's Ratepayer Assistance Program (RAP). The RAP helps some low-income residential households stay current on their water bills.

Qualifying SCV Water residential customers can receive a \$10 monthly credit towards their fixed service charge, for up to a 12-month period during the fiscal year (July-June).

Assistance will be given to qualifying customers from the priority group on a "first-come, first-served" basis, so long as funds are available. If additional funds are available after processing the priority group applications, the RAP will be opened to all eligible customers meeting the qualifying criteria.

Visit our website for program details, including:

- Eligibility Criteria
- Priority Group Information
- List of Document Verification Types

Funds are limited. Customers must qualify. Applications are required.

NEWS RELEASE
DATE: May 24, 2023
FOR IMMEDIATE RELEASE

SCV Water Releases Annual Consumer Confidence Report

Water supplied to customers continues to meet or surpass state and federal quality standards

SANTA CLARITA – SCV Water’s 2023 Annual Consumer Confidence Report is now available. This year’s report, in partnership with Los Angeles County Water Works District #36, shows that water provided by the Agency to customers continues to meet or surpass rigorous state and federal drinking water compliance standards during 2023.

“This past year challenged our water supplies. As statewide drought conditions persisted, our water resource portfolio was put to the test,” said SCV Water General Manager Matt Stone. “While we relied on a variety of sources to meet demand, we remained committed to providing our community with clean, safe water that they can trust. We invite our valued customers to read the report to learn more about the quality of our water.”

The annual report, also referred to as a Water Quality Report, is required by the Division of Drinking Water (DDW) and provides a snapshot of local water quality supplies in the Santa Clarita Valley, details on where the Agency’s water comes from, what it contains and how it compares to strict federal and state standards.

Before reaching the tap, the Agency’s water supply must withstand rigorous rounds of treatment and monitoring. More than 20,000 tests per year are performed to ensure a safe water supply is delivered to customers.

The full report is available:

- English: yourSCVwater.com/CCR2023
- Spanish: yourSCVwater.com/CCR2023espanol

All SCV Water customers will receive a bill insert no later than June 30 notifying them that the report is available in English and Spanish. Customers can also obtain printed copies in both languages at (661) 294-0828 or ccare@scvwa.org.

###

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to approximately 75,000 business and residential customers. It was formed on January 1, 2018, when local water suppliers combined into one integrated, regional water provider. More information can be found at www.yourSCVwater.com

**NOTICE FOR IMPORTANT INFORMATION ABOUT YOUR
DRINKING WATER QUALITY
FROM THE SANTA CLARITA VALLEY WATER AGENCY**

The Santa Clarita Valley Water Agency (SCV Water) and Los Angeles County Waterworks District #36 continuously work to ensure you and your neighbors have a reliable supply of high-quality water at a reasonable price. The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of your water and to show how it meets federal and state drinking water standards.

This 2023 Annual Consumer Confidence Report (also known as the Water Quality Report) describes in detail the quality of local water supplies in the Santa Clarita Valley during 2022. There is an additional explanation of the requirements and test results in the report. Due to a change in the law and a desire to save our ratepayers money, SCV Water is posting the report on its website and mailing notices of its availability to customers.

To view the 2023 Annual Consumer Confidence Report, please visit:

SCV Water Releases Annual Consumer Confidence Report

Posted by: Louie Diaz in Community News, Santa Clarita Latest News May 26, 2023 - 9:00 am 0 306 Views

The Santa Clarita Valley Water Agency's (SCV Water) 2023 Annual Consumer Confidence Report is now available.

This year's report, in partnership with Los Angeles County Water Works District #36, shows that water provided by SCV Water Agency to customers continues to meet or surpass rigorous state and federal drinking water compliance standards during 2023, according to officials.

"Over the last year, we have completed our second state-of-the-art PFAS treatment facility and started construction on a third, with more treatment projects on the way," said SCV Water General Manager Matt Stone. "We remain committed to our customers, ensuring the community always has access to clean, safe and reliable water. We invite our valued customers to read the report to learn more about the quality of our water."

Hey Jenny,

Wanted to let you know that I promoted the CCR on the website front page.

Also, we are working on a Water Matters webinar, scheduled for June 21. This will cover water quality, including the CCR. You may want to add that in your outreach report to DDW.

Also, the CCR notification email will go out this Wednesday, 6/7.

Lindsey Gibson
Senior Public Affairs Specialist
Water Resources and Public Outreach
