Chau Tran, Water Resource Control Engineer
State Water Resource Control Board
Division of Drinking Water – Angeles District
500 North Central Avenue, Suite 500
Glendale, CA 91203

Subject: 2025 Consumer Confidence Report reporting 2024 Water Quality Data

Dear Chau Tran,

Pursuant to Section 64483(c), Title 22, California Code of Regulations which requires a water system to “mail a copy of the ... [CCR] to the Department, followed within 3 months by a certification that the report has been distributed to customers, and that the information is correct and consistent with the compliance monitoring data previously submitted to the Department”, enclosed are Santa Clarita Valley Water Agency 2025 CCR and CCR Certification Form.

If you require any additional information, you can contact me at 661-259-1635 or janderson@scvwa.org.

Sincerely,

Jenny Anderson
Water Quality Specialist

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	SCV Water
Water System Number:	1910240

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 5/28, 6/4, 6/11, 6/18 (*date*) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: Jenny Anderson	Title: Water Quality Specialist
Signature: 	Date: 06/23/25
Phone number: (661) 295-1635	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - ☒ Posting the CCR at the following URL: [www. https://yourscvwater.com/water-quality/#waterqualityreports](http://www.yourscvwater.com/water-quality/#waterqualityreports)
 - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - ☒ Advertising the availability of the CCR in news media (attach copy of press release)
 - ☒ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - ☐ Posted the CCR in public places (attach a list of locations)

- ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- ☐ Delivery to community organizations (attach a list of organizations)
- ☐ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- ☐ Other (attach a list of other methods used)
- ☐ *For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www. <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☐ *For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www. <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: <https://yourscvwater.com/water-quality/#waterqualityreports>
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

We mailed a notification that the CCR is available and provided a direct URL to the SCV Water website. We used electronic delivery methods through our billing system

as described in the Guidance for Electronic Delivery of the Consumer Confidence Report. Hard copies made available upon request. Hard copies were dropped off at libraries in the service area.

*This form is provided as a convenience and may be used to meet the certification
requirement of
section 64483(c) of the California Code of Regulations.*

[EXTERNAL]: This message comes from an external organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Lindsey Gibson,

Your campaign '**Reminder: 📧 Notice for Important Information About Your Drinking Water Quality 📧**' was sent on 6/18/2025 around 11:01 AM EDT.

Below is a copy of the message your subscribers received. See how your campaign is doing by visiting Reports [in your account](#) to get real-time results and stats.

Subject: Reminder: 📧 Notice for Important Information About Your Drinking Water Quality 📧

THIS NOTICE CONTAINS INSTRUCTIONS FOR YOU TO OBTAIN
IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER.
TRANSLATE IT, OR SPEAK WITH SOMEONE WHO UNDERSTANDS IT.

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires SCV Water to provide all of its customers. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

SCOUT DAYS ARE BACK AT SCV WATER THIS SUMMER

Calling all Scouts (grades 1–12)! SCV Water is thrilled to present its third annual Summer Scout Days, running from June 24 to July 31, 2025, at the E.G. "Jerry" Gladbach Water Treatment Plant above Central Park in Santa Clarita.

Event details:

- Younger Scouts (grades 1–5):
June 24, 25, 26 & July 15, 16
- Older Scouts (grades 6–12):
July 29, 30, 31
- Each session runs 9–11 a.m.

What's in store:

- Behind-the-scenes water treatment plant tour
- Hands-on modules on State Water Project, soils, watersheds, and conservation

- Fun badge-earning activities & a cool Scout Day patch!

Join the fun:

Open to individuals, patrols, packs, or troops (adult chaperone required, 18+). To register, email Jenny McNerney at jmcnerney@scvwa.org and download required waivers. Parking is at the hilltop—no drop-ins, and no siblings, please.

SCV WATER SUPPORTS GOVERNOR NEWSOM'S PROPOSAL TO STREAMLINE DELTA CONVEYANCE PROJECT APPROVALS AND REDUCE COSTS

On Wednesday, May 14, Governor Gavin Newsom announced a proposal to eliminate costly red tape and litigious delays for the Delta Conveyance Project (DCP) while maintaining environmental protections. The DCP is a critical infrastructure modernization project that will protect and maintain the State Water Project, California's most reliable and affordable source of water. The State Water Project provides clean, high-quality water supplies to 27 million Californians, 750,000 acres of farmland and three-quarters of the state's population living in disadvantaged communities. It also accounts for approximately half of the annual water supply for all residents and businesses in the Santa Clarita Valley.

NEWS RELEASE
DATE: June 11, 2025
FOR IMMEDIATE RELEASE

SCV Water Releases 2025 Annual Consumer Confidence Report

Water supplied to customers continues to meet or surpass State and Federal quality standards

SANTA CLARITA – SCV Water’s 2025 Annual Consumer Confidence Report is now available. This year’s report, in partnership with Los Angeles County Waterworks District #36, shows that water provided by the Agency to customers continued to meet or surpass rigorous State and Federal drinking water compliance standards in 2024.

“In the past year, SCV Water focused on restoring local water quality and groundwater supplies impacted by per- and polyfluoroalkyl substances (PFAS) by constructing advanced treatment facilities. We also enhanced our water supply reliability by investing in recycled water for non-drinking purposes, and maximized existing supplies through our conservation efforts,” said SCV Water General Manager Matt Stone. “We remain committed to providing our customers with reliable, quality drinking water supplies. We invite our valued customers to read the report to learn more about the quality of water in the SCV.”

The annual report, also referred to as a Water Quality Report, which is required by the State Water Resources Control Board’s Division of Drinking Water (DDW), provides a snapshot of local water quality supplies in the Santa Clarita Valley. It also details where the Agency’s water comes from, what it contains, and how it compares to strict water quality standards.

Before reaching a customer’s tap, the Agency’s water supply must withstand rigorous rounds of treatment and monitoring. More than 20,000 tests per year are performed to ensure a safe water supply is delivered to customers.

The full report is available online in both English and Spanish:

- English: yourSCVwater.com/CCR2025
- Spanish: yourSCVwater.com/CCR2025espanol

All SCV Water customers will receive a bill insert no later than June 30, 2025, notifying them that the report is available. Customers can also obtain printed copies in both languages by calling (661) 294-0828 or emailing ccare@scvwa.org.

SCV Water is planning for the future by enhancing groundwater sustainability, planning for and expanding our recycled water systems, and managing a robust water shortage strategy. The Agency also remains dedicated to exceptional water stewardship by providing reliable quality water to customers.

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to approximately 75,000 business and residential customers. It was formed on January 1, 2018, when local water suppliers combined into one integrated, regional water provider. More information can be found at www.yourSCVwater.com

**NOTICE FOR IMPORTANT INFORMATION ABOUT YOUR
DRINKING WATER QUALITY
FROM THE SANTA CLARITA VALLEY WATER AGENCY**

The Santa Clarita Valley Water Agency (SCV Water) and Los Angeles County Waterworks District #36 continuously work to ensure you and your neighbors have a reliable supply of high-quality water at a reasonable price. The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of your water and to show how it meets federal and state drinking water standards.

This 2025 Annual Consumer Confidence Report (also known as the Water Quality Report) describes in detail the quality of local water supplies in the Santa Clarita Valley during 2024. There is an additional explanation of the requirements and test results in the report. Due to a change in the law and a desire to save our ratepayers money, SCV Water is posting the report on its website and mailing notices of its availability to customers.
