The Santa Fe Springs Water Utility Authority is pleased to notify you that the 2017 Annual Water Quality Report is now available.

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires us to provide you with. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

To view your 2017 Consumer Confidence Report and to learn more about your drinking water, please visit the following URL:
