

## APPENDIX B: eCCR Certification Form (Suggested Format)

### Consumer Confidence Report Certification Form

*(To be submitted with a copy of the CCR)*

Water System Name: City of Madera

Water System Number: 2010002

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/17/19 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by: Name: John Botwright  
Signature:   
Title: Water Quality Specialist  
Phone Number: ( 559 ) 661-5466 Date: 11/26/19

*To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:*

- ☐ CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- ☒ CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- ☒ "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
  - ☒ Posting the CCR at the following URL: [www.madera.gov/ccr](http://www.madera.gov/ccr)
  - ☐ Mailing the CCR to postal patrons within the service area (attach zip codes used)
  - ☐ Advertising the availability of the CCR in news media (attach copy of press release)
  - ☐ Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
  - ☒ Posted the CCR in public places (attach a list of locations)
  - ☐ Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
  - ☐ Delivery to community organizations (attach a list of organizations)
  - ☐ Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
  - ☐ Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
  - ☐ Other (attach a list of other methods used)
- ☐ For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www.
- ☐ For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

## Consumer Confidence Report Electronic Delivery Certification

*Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.*

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification).  
URL: www.madera.gov/ccr
- ☐ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www.
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

*Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.*

CCR posted on city website and announcement of availability was posted on social media and through newsletter sent out with water bills (newsletter attached)

100 copies of CCR (50 English, 50 Spanish) delivered to the following public places in an effort to provide the CCR to non-bill paying customers:

Pan American Community Center, 703 East Sherwood

Frank A. Bergon Center, 238 South D Street

City Hall, 205 West 4<sup>th</sup> Street

John Wells Youth Center, 710 East 5<sup>th</sup> Street

Public Works Office, 1030 South Gateway Drive

*This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.*

## SPOTLIGHT

### A new playground is now open at Pan-Am Park

The ribbon has officially been cut on a new play structure, and other renovations recently unveiled at Pan-Am Park. With frequent visits from maintenance staff over its 13 years in service, it was clear that the old playground had stretched beyond its useful life and was ready to be retired once and for all. As contractors were at work replacing the playground equipment, Parks staff took the opportunity to replace benches, a barbecue in the pavilion, and perform some minor concrete work.

The funding for the playground at Pan-Am was received from a Housing Related Parks Program (HRPP) grant. The grant funds come from the State of California Department of Housing and Community Development (HCD). The total amount of the grant and project was \$134,000.

### City Fire Department joins social media

The Madera City Fire Department, in an effort to keep the public better informed of fire related operations inside of Madera's city limits, has announced their official Facebook page. Residents wishing to stay informed about the most recent fire related events in Madera can follow their page by searching "Madera City Fire Department" on Facebook, or by visiting their page directly at:

YOUR NO. 1 SOURCE FOR NEWS FROM CITY HALL

### SB1 funded widening of State Route 99 to begin in August

Caltrans and the Madera County Transportation Commission (MCTC) recently held a groundbreaking ceremony to mark the beginning of construction on the Senate Bill 1 funded State Route 99 Madera Widening Project in Madera County.

This \$86.1 million project will revitalize 23.4 lane miles, construct 11.7 new lane miles, upgrade the Almond Avenue on-ramp, construct 3,500 feet of drainage systems and five maintenance vehicle pullouts, install one changeable message sign and include the construction of 25,000 feet of concrete barrier. About \$66 million of this project's funding is provided by Senate Bill 1, the Road Repair and Accountability Act of 2017.

This Madera 99 Widening project has been awarded to Security Paving Company, who will focus on replacing damaged pavement, constructing an additional lane through the downtown area, upgrading drainage, and completing long-lasting repairs to restore the roadway and improve traffic safety. Work is scheduled to take place during the night, Sunday through Thursday. The project is scheduled to be completed in Summer 2020.

### Water rebates available online

Applying for water rebates from the City is now easier than ever. Online rebate forms can be filled out and submitted in minutes. If you're serious about conserving water, and wouldn't mind saving some cash while doing so, head over to [madera.gov/rebates](https://www.madera.gov/rebates).

### Public safety gets a boost, new officers added to the force

The City of Madera proudly welcomes newly sworn officers Priscilla Ramirez, Dina Santos, Nicolas Carrillo, and Animal Control Officer Ruben Hernandez to the Madera Police Department. Congratulations and welcome aboard!

### The importance of spaying, neutering your pets

Last year alone, 1,500+ animals were brought into the Madera County Animal Shelter. Every year, millions of unwanted dogs and cats, including puppies and kittens, are euthanized. By having your dog or cat sterilized, not only will you be doing your part in helping to prevent the birth of uncared for puppies and kittens, you may also be helping to save the life of an innocent animal. Scan below to learn more about the spay and neuter programs available in Madera County.

### Water early to maximize efficiency

Wind speeds tends to be slower and temperatures are lower in the early morning. Watering in the morning helps to reduce water loss caused by evaporation.

### Annual water quality report released

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the City of Madera to provide. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water resources. In recent years, the City of Madera has mailed its customers a printed copy of the CCR to comply with the SDWA. On February 21, 2013 the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow the City of Madera to reduce the consumption of paper, and minimize potential printing and mailing costs. If you would like a paper copy of the 2018 CCR mailed to your mailing address or would like to speak with someone about the report, please call (559) 661-5466. View the 2018 Consumer Confidence Report by visiting [madera.gov/ccr](https://www.madera.gov/ccr) or by scanning the QR code below.

### Need a venue for your next gathering? Try Parks!

Planning a birthday party, company picnic, or special event? Consider using one of Madera's many parks or public facilities. Visit [madera.gov/facilities](https://www.madera.gov/facilities) for more information or contact Parks at (559) 661-5495.
