## SPOTLIGHT

### Local businesses partner with Madera Police Department to 'pay it forward'

The Madera Police Department recently received a generous donation from a business requesting assistance in “paying it forward.” Officer Carrillo thought it would be a great idea to provide some lunch gift cards to Juan and Noah with A-C Electrical Construction. These gentlemen were working on installing a new traffic signal light at the intersection of Granada Dr. and Howard Rd. Thank you both for getting the job done in this Going Nuts hot weather, and helping to improve traffic safety in our community. Our officers will continue to donate the funds back to deserving workers providing services in our city. Shout out to the “anonymous” businesses that made this possible. **#MaderaProud**

Congratulations to Silas Varela, who just recently graduated from the Fresno Police Academy. The Madera Police Department has employed Silas for the past two years as a Dispatcher. He was recognized for two awards – 2nd place overall in physical fitness and 2nd place overall for scenario-based testing. As a proud military veteran who previously served in the Marines, Silas is as dedicated as they come to public service. The Madera Police Department is thrilled to continue its tradition of hiring the best, and the City of Madera is proud to welcome him to the team.
