

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form (To be submitted with a copy of the CCR)

Water System Name:	City of Madera
Water System Number:	2010002

The water system named above hereby certifies that its Consumer Confidence Report was distributed on _____ (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: John Botwright	Title: Water System Supervisor
Signature: 	Date: 7/19/2022
Phone number: 559-661-5466	

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: www._____
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www._____madera.gov/ccr_____
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____madera.gov/ccrP_____
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Notification of CCR available was provided in July 2022 monthly billing newsletter

Printed hard copies are available for customers who request them.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

SPOTLIGHT

Volunteers hit the streets to help create a safer community

In May, volunteers and members of the American Red Cross Central Valley Chapter, Madera City Fire Department and United Way of Fresno and Madera Counties installed nearly 180 free smoke alarms for families in Madera, as part of the American Red Crosses Sound the Alarm - Save a Life campaign. Volunteers split up into 10 teams and visited more than 330 homes educating residents and sharing fire safety awareness and preparedness resources. Our hats are off to the mighty volunteers who showed up to help make our community a better place. #MaderaProud

MLK Jr. Students get schooled on water

Mayor Garcia and Staff from the City's Wastewater Treatment Plant visited students at Martin Luther King Jr. Middle School to discuss water usage in the community and to share an overview of the Plant. Students were surprised to learn about the processes involved in maintaining a safe and stable water supply, and asked lots of great questions. The presentation wrapped with an invitation for students to visit the Wastewater Treatment Plant for a tour during a field trip in the next school year!

The poster has a green and white color scheme. The title "Fundraising Golf Tournament" is at the top in a large, bold font. Below it, "MADERA MUNICIPAL GOLF COURSE" and the address "23200 Avenue 17 | Madera, CA 93637" are listed. The date "JULY 4" is prominently displayed with "Monday | 2022" underneath. The price "\$100 Per Golfer" is also shown. A program schedule table includes registration/check-in at 7:00am, shotgun start at 8:00am, and lunch break at 12:00pm. Range balls and lunch are provided. The bottom of the poster says "REGISTER ONLINE @ WWW.MADERA.GOV/GOLF".

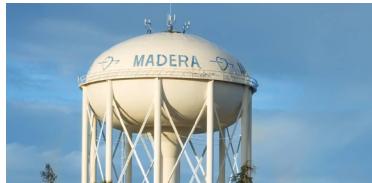

The infographic is titled "Know your Watering Days". It shows a weekly calendar where odd addresses water on Monday, Tuesday, Thursday, and Saturday, while even addresses water on Wednesday, Friday, and Sunday. A note states "All watering is prohibited between the hours of 10:00am through 7:00pm". Below the calendar, there are two boxes: one with a red circle and a slash over it labeled "No Watering" and another with a green checkmark labeled "Watering Permitted". The bottom of the infographic encourages saving water and visiting www.madera.gov/rebates to learn more.

#HeatAlert: Cooling centers available during heat waves

In partnership with Pacific Gas & Electric Company (PG&E), the City operates cooling centers during times of extreme heat. Cooling centers aide in providing residents in need with a means of staying cool and hydrated during dangerous heat waves. For more information, including the specifics of when cooling centers are activated and their locations, visit madera.gov/cooling-centers.

2021 water quality report now available

The Consumer Confidence Report (CCR) is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the City of Madera to provide to customers. The purpose of the CCR is to raise customer awareness about the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water resources. The 2021 CCR is now available for your review on our website at madera.gov/CCR. To request a physical copy of the 2021 CCR, or to speak with someone about the report, please call (559) 661-5466.

Help conserve water by reporting water waste

Customers may report incidents of water waste or leaks that are observed within city limits by contacting Water Conservation staff. Reports can be sent online (madera.gov/report) or by phone at (559) 661-5466. After-hour water emergencies can be reported at (559) 675-4200.

DESTACAR

Voluntarios salen a la calle para ayudar a crear una comunidad más segura

En Mayo, voluntarios y miembros de la Sección del Valle Central de la Cruz Roja Estadounidense, el Departamento de Bomberos de la Ciudad de Madera y los condados de Fresno y Madera de United Way instalaron casi 180 alarmas de humo gratuitas para familias en Madera, como parte de la Campaña Activa la Alarma de la Cruz Roja Estadounidense, una campaña de vida. Los voluntarios se dividieron en 10 equipos y visitaron más de 330 hogares educando a los residentes y compartiendo información sobre seguridad contra incendios y recursos de preparación. Nos quitamos el sombrero ante los poderosos voluntarios que se presentaron para ayudar a hacer de nuestra comunidad un lugar mejor.

#MaderaProud

Estudiantes de MLK Jr. Aprenden sobre el agua

El Alcalde Garcia y el personal de la Planta de Tratamiento de Aguas Residuales de la Ciudad visitaron a los estudiantes de la Escuela Secundaria Martin Luther King Jr. Para hablar sobre el uso del agua en la comunidad y compartir una descripción general de la Planta. Los estudiantes se sorprendieron al aprender sobre los procesos involucrados en el mantenimiento de un suministro de agua seguro y estable, y hicieron muchas preguntas interesantes. La presentación terminó con una invitación para que los estudiantes visitaran la Planta de Tratamiento de Aguas Residuales para un recorrido durante una excursión en el próximo año escolar!

#HeatAlert: Centros de enfriamiento disponibles

En sociedad con Pacific Gas & Electric Company (PG&E), la Ciudad opera centros de enfriamiento en tiempos de calor extremo. Los centros de enfriamiento ayudan a los residentes necesitados a mantenerse frescos e hidratados durante las olas de calor peligrosas. Para obtener más información, incluidos los detalles específicos sobre cuándo se activan los centros de enfriamiento y sus ubicaciones, visite madera.gov/cooling-centers.

Informe de calidad del agua 2021 ya disponible

El Informe de Confianza del Consumidor (CCR, por sus siglas) es un informe anual de calidad del agua que la Ley de Agua Potable Segura (SDWA) requiere que la Ciudad de Madera proporcione a los clientes. El propósito de la CCR es sensibilizar a los clientes sobre la calidad de su agua potable, de dónde proviene su agua potable, lo que se necesita para llevar agua a sus hogares y la importancia de proteger los recursos de agua potable. El CCR 2021 ya está disponible para su revisión en nuestro sitio web en madera.gov/CCR. Para solicitar una copia del CCR 2021, o para hablar con alguien sobre el informe, llame al (559) 661-5466.

Ayuda a conservar el agua informando sobre el desperdicio de agua

Los clientes pueden informar incidentes de desperdicio o fugas de agua que se observen dentro de los límites de la ciudad comunicándose con el personal de Conservación del Agua. Los informes se pueden enviar por Internet (madera.gov/report) o por teléfono al (559) 661-5466. Las emergencias de agua después del horario de atención se pueden informar al (559) 675-4200.
