

APPENDIX B: eCCR Certification Form (Suggested Format)

Consumer Confidence Report Certification Form

(To be submitted with a copy of the CCR)

Water System Name:	YOSEMITE SPRING PARK UTILITY CO.
Water System Number:	2010005

The water system named above hereby certifies that its Consumer Confidence Report was distributed on June 5, 2026 (date) to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: PAUL STIGLICH	Title: GENERAL MANAGER
Signature: <i>Paul Stiglich</i>	Date: June 5, 2026
Phone number: (559)517-3799	blank

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: www.yosemitelakespark.org/yspuc
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)

- Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
- Delivery to community organizations (attach a list of organizations)
- Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
- Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
- Other (attach a list of other methods used)
- For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities: Delivered the CCR to the California Public Utilities Commission

Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.yosemitelakespark.org/yspuc
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._____
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval. Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

1. A billing insert was provided in the water bill that was mailed on June 5, 2026.
This billing insert notified the water customer that they could view and download

<p>the CCR from the Yosemite Spring Park Utility Company's website at the following URL</p>
<p>www.yosemitelakespark.org/yspuc</p>
<p>2. Additionally, a notification was published in the YSPUC Facebook page under this name, Yosemite Spring Park Utility Company.</p>
<p>3. Copies of the 2025 CCR are also available at the YSPUC k"walkup window" and water office located at 30950 Corral Drive, Coarsegold, CA 9361.</p>
<p> </p>
<p> </p>

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

JUNE 2026 NEWSLETTER

Employee of the Month

We are proud to recognize Karrie Simpson as this month's *Employee of the Month*! Karrie has truly set a high standard through her dedication, work ethic, and commitment to both our customers and our company's success.

Karrie has made an exceptional impact in two critical areas: collections and customer service. Her proactive and persistent approach to handling delinquent accounts has significantly improved our collection outcomes. Karrie consistently demonstrates professionalism and tact, working with customers to find solutions while maintaining the integrity of our processes. Her ability to balance firmness with empathy has not only helped recover outstanding balances but has also preserved positive relationships with our clients.

Beyond her outstanding performance in collections, Karrie shines in customer service. She approaches every interaction with patience, clarity, and a genuine desire to help. Customers frequently express appreciation for her responsiveness and willingness to go the extra mile. Whether she's resolving complex issues or answering routine inquiries, Karrie ensures that every customer feels heard and valued.

What truly sets Karrie apart is her positive attitude and team spirit. She is always willing to assist colleagues, share insights, and contribute to a supportive work environment. Her reliability and consistency make her someone the entire team can count on.

Karrie's contributions have not gone unnoticed, and we are grateful to have her as part of our team. Please join us in congratulating Karrie Simpson on this well-deserved recognition!

Thank you, Karrie, for your hard work and dedication—you make a difference every day!

2025 Consumer Confidence Report

We are pleased to announce that the 2025 Consumer Confidence Report (CCR) for the water testing that was performed in 2025 is now available for your review. For your convenience, we have published this report on our website at the following URL:

www.yosemitelakespark.org/yspuc

At our website, you may download and print this document. Additionally, you can pick up a hard copy at the water office located at this address:

Yosemite Spring Park Utility Company 30950 Corral Drive, Suite B, Coarsegold, CA 93614.

If you have any questions about this report, please contact the YSPUC office at 559-517-3799.

*Summer is
Here!!*

Friendly Reminder

With the hot weather approaching—and increased gardening and pool use—we will be operating all of our wells. As a result, some residents may experience temporarily discolored water. If you are affected, please contact the office during regular business hours (Monday–Friday 8:00am–4:30pm), or reach out to our on-call line on evenings and weekends to let us know. We are here to work with you and help in every way we can. Thank you for your understanding!
