Ahora puede ver nuestro **North Gualala Water Company Informe de Confianza del Consumidor (CCR) de 2023**. Este reporte contiene informacion importante sobre el origen y la calidad de su agua potable.

North Gualala Water Company vigilantly safeguards its water supplies and once again, we are proud to report that our system has never violated a maximum contaminant level or any other water quality standard. In 2023, as in years past, your tap water met all U.S. EPA and State drinking water health standards. The report is a snapshot of last year's water quality. Included are details about where your water comes from, what it contains, and how it compares to State standards. As part of our service to you, we are committed to providing you this information every year.
