1. The word "employee" means any individual who is employed by the employer, whether full-time or part-time, and who is not an independent contractor, as determined by the Department of Labor.

1. The first of these is the fact that the United States has a large and growing population of people who are not citizens of the United States. This is a result of the large number of people who have been admitted to the United States as permanent residents, and the fact that many of these people have been born in other countries. This is a problem for the United States because it means that there are a large number of people who are not subject to the same laws and regulations as citizens of the United States. This is a problem for the United States because it means that there are a large number of people who are not subject to the same laws and regulations as citizens of the United States.
