Delayed due to COVID-Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools

Delayed due to COVID-Delivery to community organizations (attach a list of organizations)

Fort Hunter Liggett staff has made the conscious decision to delay distribution of single or multiple copies of the CCR during the COVID crisis. This decision was based on the likelihood of paper copies being handled by multiple personnel and returned to desks, counters, or other surfaces, where they would be subsequently handled by other staff.

Hard copies are available to individuals upon request to the Directorate of Public Works, Environmental Division.

At such time staff concur that it is safe, distribution to the three groups indicated as being delayed on the Certification Form will be made.
