## 2024 Water Quality Report

Posted on June 24, 2024 at 10:02 AM by Meghan Wishner

The [2024 Water Quality Report](#) is now available online. This report provides important information about the City's water supply and the water quality testing results for calendar year 2023. The City of Fountain Valley Water Department vigilantly safeguards our water supply and, as in years past, the water delivered to your home or business meets or exceeds the quality standards required by federal and state regulatory agencies.

Pursuant to the California Safe Drinking Water Act, the City monitors for over 100 chemicals in the water supply. The results of this testing are published in the City's annual Water Quality Report, which is available online by July 1 every year. In addition, a postcard is sent to every mailing address in the City to notify residents and businesses that the annual report is available.

For more information or concerns about this report, or your water quality in general, please contact Kevin Deason, Water Quality Technician, at [Kevin.Deason@FountainValley.gov](mailto:Kevin.Deason@FountainValley.gov) or (714) 593-4624.

If you would like the current report mailed to you, please call (714) 593-4600, or email your name and address to [Christine.Smith@FountainValley.gov](mailto:Christine.Smith@FountainValley.gov) or [Kevin.Deason@FountainValley.gov](mailto:Kevin.Deason@FountainValley.gov) with the subject line: Water Quality Report.
