2024

Consumer Confidence Report

Each year, the City of Lincoln along with other water providers are required to produce and distribute a Consumer Confidence Report (CCR) that provides customers with detailed information about the sources and quality of their drinking water. The CCR summarizes testing of contaminants in drinking water during the past year and includes a comparison of the City's water quality to standards set by State and Federal agencies. The City is proud of our outstanding water quality and is pleased to announce that the 2024 CCR will be available on the City's website by July 1, 2025.

Please go to www.lincolncga.gov/CCR to view your 2024 Consumer Confidence Report to learn more about your drinking water. If you would like a paper copy mailed to you, please call 916.434.2450 or send an email to PublicServices@lincolncga.gov.

2024

Informe de Confianza del Consumidor

Cada año, la ciudad de Lincoln, junto con otros proveedores de agua, debe producir y distribuir un Informe de Confianza del Consumidor (CCR, por sus siglas en inglés) que proporcione a los clientes información detallada sobre las fuentes y la calidad de su agua potable. El CCR resume las pruebas de contaminantes en el agua potable durante el año pasado y incluye una comparación de la calidad del agua de la Ciudad con los estándares establecidos por las agencias estatales y federales. La Ciudad se enorgullece de la excelente calidad de nuestra agua y se complace en anunciar que el CCR 2024 estará disponible en el sitio web de la Ciudad antes del 1 de Julio de 2025.
