Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: https://westernwaterca.gov/536/Water-Quality-Reports

☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: https://westernwaterca.gov/536/Water-Quality-Reports

☐ Water system emailed the CCR as an electronic file email attachment.

☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).

☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Western Water designed a 2025 CCR postcard that was printed and mailed to all Western customers. The mailing transaction receipt confirming delivery and postcard are attached. Additionally, Western Water included it in its eblast Report, added a water bill insert, and conducted a social media campaign (social media report attached) through various platforms to inform Western Water customers of the availability of the 2025 CCR (attached). The social media outlets utilized were:

- Facebook
- Instagram
- Twitter (aka X)

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
