Your 2022 Consumer Confidence Report is here...

Over the course of the past year, the City of Corona Utilities Department (UD) has remained committed to advancing the water system and ensuring the community is provided the highest quality drinking water.

We are committed to ensuring you have the best quality of water. Like any responsible public water system, our mission is to deliver the best-quality drinking water and reliable service at the lowest, appropriate cost. Aging infrastructure presents challenges to drinking water systems, and continuous improvement is needed to maintain the quality of life we desire for today and for the future.

We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. The UD offers tours of our system, please check our website for upcoming availability.
