For another year, we are pleased to report, our water is safe, clean and continues to surpass every state and federal water quality standard 🌊

Each year, Rancho Water publishes a Water Quality Report also known as the Consumer Confidence Report. This report provides a comprehensive summary of everything you need to know about your water and how our drinking water complies with the strict standards set by the Environmental Protection Agency and the State Water Resources Control Board.

The report, published in 2020, covers water quality information for calendar year 2019. We encourage you to read it and submit any questions you may have.
