Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- ☒ Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.RanchoWater.com/CCR
- ☒ Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www._RanchoWater.com/CCR
- ☐ Water system emailed the CCR as an electronic file email attachment.
- ☐ Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- ☐ *Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Public outreach was achieved by envelope billing snipes, bill messages and email blasts. The Report is accessible from the District website and hard copies are available in the District lobby.

2024 Water Quality Report Available Now

**Rancho Water's tap water supply met or exceeded ALL
2024 U.S. EPA and State drinking water standards**

Reliable, high-quality water. This is the mission of Rancho California Water District (Rancho Water/District) and a top priority of every one of our employees. And we're proud to say that our dedication to the mission makes a difference. Based on the water quality monitoring data collected in 2024, the District's tap water met or exceeded all state and federal drinking water standards.

This annual water quality document, the Consumer Confidence Report (CCR), is mandated by the U.S. Environmental Protection Agency (EPA) and the State Water Resources Control Board's Division of Drinking Water to inform customers about their drinking water supply for the previous year. This CCR contains information about Rancho Water's water supply and how it meets regulatory drinking water standards. Inside, you'll find data, facts, and water efficiency tools to give you a better idea of your water quality.

2024 Consumer Confidence Report

CELEBRATING 100 YEARS OF SERVICE

The new report of Rancho California Water District (Rancho Water), and it remains a top priority for every member of our team. We're proud to report that, based on comprehensive water quality monitoring conducted throughout 2024, Rancho Water's tap water met or exceeded all state and federal drinking water standards.

This annual water quality report, or Consumer Confidence Report (CCR), is required by the U.S. Environmental Protection Agency (EPA) and the State Water Resources Control Board, Division of Drinking Water, to keep customers informed about the safety and quality of their drinking water.

In this report, you'll find important data and insights about Rancho Water's water supply, how it complies with strict drinking water regulations, and helpful water efficiency resources to support your role in protecting this vital resource.

To strengthen and improve our environmental water management services, in this year's Consumer Confidence Report, you'll find a comprehensive summary of water quality data collected in 2024, including detailed tables listing any constituents detected in your drinking water. To ensure accuracy and transparency, Rancho Water performs more than 2,000 water quality tests annually, with samples collected from multiple locations throughout our service area and analyzed by an independent, certified laboratory.

Maintaining these high standards requires ongoing vigilance and expertise, and we are proud of the work our dedicated team puts in every day to meet this responsibility. If you have any questions about this report or would like more information on our water quality practices, please contact Rancho Water at 925-296-4330.

We are always here to help and are honored to be your trusted water utility.

Sincerely,

Jason Martin
General Manager, Rancho California Water District
