## Your Water Quality Report is Now Available Online

Each year, Temescal Valley Water District (TVWD) provides its customers with an Annual Water Quality Report to let them know how our water quality stacks up against established federal and state drinking water standards. We encourage you to review this report as it provides details about the source and quality of the drinking water delivered to your community in 2020. This notice contains instructions for you on how to obtain important information about your drinking water. Translate it, or speak with someone who understands it.

*Este reporte contiene las instrucciones mas recientes para obtener información importante sobre su agua potable. Traduzcalo, o hable con alguien que lo entienda.*

In an effort to be more environmentally responsible, we are no longer printing these reports, but have made them available on the Internet.

Landlords, businesses, schools and other groups please share this information with tenants, students and other water users at your location who are not billed customers of TVWD.
