Stage 2 Mandatory Water Use Restriction Remain In Place

As the drought continues into a third year, Carmichael Water District is urging everyone to step up conservation efforts and use less water. As a reminder the following **Odd/Even irrigation schedule** is in effect:

- Watering of lawns and landscaping is limited to **Three (3) days a week** utilizing an odd even schedule.
No watering allowed on Monday.
Odd number addresses – Outdoor watering is limited to Tuesday, Thursday, and Saturday.
Even number addresses – Outdoor watering is limited to Wednesday, Friday, and Sunday.
- **No watering allowed between 10 a.m. and 7 p.m.** Water early in the morning or late in the evening to minimize moisture loss to evaporation.
- Trees, shrubs, and vegetables may be watered any day by means of drip irrigation, soaker hoses with a timer, or hand watering. Run-off, free flowing hoses, and leak repair restrictions still apply.
- The District's website, www.carmichaelwd.org is the best place for up-to-date information on water shortage, drought stage conditions, and water efficiency programs.

2021 Consumer Confidence Report (CCR)

The CCR is an annual water quality report that the Safe Drinking Water Act (SDWA) requires Carmichael Water District (CWD) to provide to our customers. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

In the past, CWD has mailed its customers a printed copy of the CCR to comply with the SDWA. In 2013, the State of California expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow CWD to reduce the consumption of paper, and minimize potential printing and mailing costs.

This report contains important information about your drinking water. Please contact CWD at 7837 Fair Oaks Boulevard, Carmichael, CA 95608 OR (916) 483-2452 for assistance.
