All:

Attached is the annual Consumer Confidence Report that the state requires us to produce. We all owe a big-time "thank you" to Janet Serrano for drawing on her expertise (and contributing her time) to complete this report. Without Janet's donated work, not only in completing this report but also in the periodic testing of our water, your water bill would be markedly higher.

The major takeaway from this report is summarized by Janet on the final page. We are blessed here at Rosa Morada with very high-quality water.
