

Consumer Confidence Report Certification Form

Water System Name:	Mitsubishi Cement Corporation
Water System Number:	3600141

The water system named above hereby certifies that its Consumer Confidence Report was distributed on 6/19/2023 to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the State Water Resources Control Board, Division of Drinking Water (DDW).

Certified by:

Name: David Riddle	Title: Environmental Superintendent
Signature: 	Date: 6/19/2023
Phone number: (760) 248-5146	

To summarize report delivery used and good-faith efforts taken, please complete this page by checking all items that apply and fill-in where appropriate:

- CCR was distributed by mail or other direct delivery methods (attach description of other direct delivery methods used).
- CCR was distributed using electronic delivery methods described in the Guidance for Electronic Delivery of the Consumer Confidence Report (water systems utilizing electronic delivery methods must complete the second page).
- "Good faith" efforts were used to reach non-bill paying consumers. Those efforts included the following methods:
 - Posting the CCR at the following URL: www._____
 - Mailing the CCR to postal patrons within the service area (attach zip codes used)
 - Advertising the availability of the CCR in news media (attach copy of press release)
 - Publication of the CCR in a local newspaper of general circulation (attach a copy of the published notice, including name of newspaper and date published)
 - Posted the CCR in public places (attach a list of locations)
 - Delivery of multiple copies of CCR to single-billed addresses serving several persons, such as apartments, businesses, and schools
 - Delivery to community organizations (attach a list of organizations)
 - Publication of the CCR in the electronic city newsletter or electronic community newsletter or listserv (attach a copy of the article or notice)
 - Electronic announcement of CCR availability via social media outlets (attach list of social media outlets utilized)
 - Other (attach a list of other methods used)
- For systems serving at least 100,000 persons:* Posted CCR on a publicly-accessible internet site at the following URL: www._____
- For privately-owned utilities:* Delivered the CCR to the California Public Utilities Commission

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.

Date: June 19, 2023
Re: Annual Drinking Water Quality Report

Attached is a report to consumers of our facility's drinking water system. Since all on-site personnel are "consumers" of our Company water system, this is provided for your information. The report shows no contaminant levels in excess of regulatory standards.

This report has been posted on bulletin boards throughout the facility, as listed below. This report is to remain posted until July 31, 2023.

If you have any questions, contact me at telephone extension 5146.

Posting Locations:

Production Control Building hallway
Administration Building breakroom
Garage lunchroom
Maintenance lunchroom
Laboratory hallway
Warehouse Service Counter
Pack-house breakroom
Quarry office
