For systems serving at least 100,000 persons: Posted CCR on a publicly-accessible internet site at the following address:

www.wvwd.org/2022waterqualityreport or
<https://wvwd.org/waterquality>

For investor-owned utilities: Delivered the CCR to the California Public Utilities Commission

This form is provided as a convenience for use to meet the certification requirement of the California Code of Regulations, section 64483(c).

BILL INSERT - FRONT

2022 Water Quality Report Available Online July 1

West Valley Water District is proud to report that we have once again met or exceeded all drinking water health standards. The 2022 Water Quality Report will be **available online by July 1, 2023** at www.wvwd.org/2022waterqualityreport. To request a printed copy of the Water Quality Report, please call our customer service team at 909-875-1804.

West Valley Water District se enorgullece en informar que una vez más hemos cumplido o superado todas las normas de salud de agua potable. El Informe de Calidad del Agua 2022 **estará disponible en línea el 1 de julio de 2023** en www.wvwd.org/2022waterqualityreport. Para solicitar una copia impresa del Informe de Calidad del Agua, por favor llame a nuestro equipo de servicio al cliente al 909-875-1804.

To Our Valued Customer, **BILL INSERT - BACK**

Each year, water providers are required to deliver an Annual Water Quality Report to inform customers about the quality and safety of their water. West Valley Water District (WVWD) is proud to announce that **the water we provide meets or exceeds all drinking water health standards.**

Our mission has been and continues to be to provide you with safe, high quality and reliable water every time you turn on the tap. We hope you're proud to be a WVWD customer.

We encourage all customers to read this report to gain a better understanding of how we treat and protect their drinking water. If you have questions, please contact us by calling 909-875-1804.

Sincerely,

West Valley Water District Board of Directors

SAFE. HIGH QUALITY. RELIABLE

FOLLOW US!

2022 Water Quality Report Now Available!

At West Valley Water District, our promise to our customers is to safeguard the quality of their drinking water each and every day. We take this commitment seriously by regularly monitoring, testing and treating the water supply to ensure that our customers receive safe and high-quality water every time they turn on the tap.

We're proud to announce that because of this, our drinking water meets or exceeds all state and federal regulations. To help our customers learn more about where their water comes from and how it gets treated, the 2022 Water Quality Report is available on our website in English and Spanish.

To view the 2022 Water Quality Report, visit www.wvwd.org/2022waterqualityreport.

If you would like to request a hard copy, please call our customer service team at 909-875-1804.
