# 2023 WATER QUALITY REPORT

West Valley Water District is proud to report that we have once again met or exceeded all drinking water health standards. The 2023 Water Quality Report will be **available online by July 1, 2024** at [www.wvwd.org/waterquality](http://www.wvwd.org/waterquality). To request a printed copy of the Water Quality Report, please call our customer service team at 909-875-1804.

West Valley Water District se enorgullece en informar que una vez más hemos cumplido o superado todas las normas de salud de agua potable. El Informe de Calidad del Agua 2023 **estará disponible en línea el 1 de julio de 2024** en [www.wvwd.org/waterquality](http://www.wvwd.org/waterquality). Para solicitar una copia impresa del Informe de Calidad del Agua, por favor llame a nuestro equipo de servicio al cliente al 909-875-1804.

Available Online by July 1

## Bill Insert (Back)

To Our Valued Customer,

Each year, water providers are required to deliver an Annual Water Quality Report to inform customers about the quality and safety of their water. West Valley Water District (WVWD) is proud to announce that the **water we provide meets or exceeds all drinking water health standards.**

Our mission has been and continues to be to provide you with safe, high quality and reliable water every time you turn on the tap. We hope you're proud to be a WVWD customer.

We encourage all customers to read this report to gain a better understanding of how we treat and protect their drinking water. If you have questions, please contact us by calling 909-875-1804.

Sincerely,

West Valley Water District Board of Directors

# My WVWD News

## WVWD Receives nearly \$1.5 Million in Community Project Funding

On May 28, West Valley Water District was presented with nearly \$1.5 million in Community Project funding from Congressman Pete Aguilar. As the district works towards securing sustainable water management in the region, these funds will support two key WVWD projects: **Emergency Generator and the Bunker Hills Well project.**

Thank you to Congressman Aguilar for advocating on behalf of our communities and to our project partner San Bernardino Valley for your commitment to regional water reliability!

# Inland Solar Challenge

In May, West Valley Water District (WVWD) chaired the 13th Annual Inland Solar Challenge (ISC), which took place over three days at Yucaipa Regional Park.

The Inland Solar Challenge is an educational event where local high students from the Inland Empire build 16-foot boats equipped by solar-powered technology and compete against each other in several races and competitions. The event highlights career and educational opportunities in the water and renewable energy field while promoting sustainability.

Every year, the event is funded through sponsorships from local companies and water agencies. To learn more about the ISC or event sponsorship opportunities, please visit [www.inlandsolarchallenge.com](http://www.inlandsolarchallenge.com) or contact Mary Jo Hartley, ISC Chair at (909) 875-1804.

## 2023 Water Quality Report Available Online by July 1

West Valley Water District is proud to report that we have once again met or exceeded all drinking water health standards.

The 2023 Water Quality Report will be **available online by July 1, 2024** at [www.wvwd.org/waterquality](http://www.wvwd.org/waterquality).
