Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

The notification of the CCR's availability and direct URL was included on the
Customer's electronic bill as a bill message. This message was also included on
Customer's paper bill copies. Additionally, printed paper copies of the entire CCR
were mailed to the mailing address on file for each service address in the water
system.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
