Monte Vista Water District included a message on its May/June 2019 bills indicating the CCR is available at a dedicated URL, while including a statement on the importance of the CCR and information on how to request a hard copy of the document. This was accompanied by a bill insert with the same information. The District also routinely includes a message on the back of every single bill stub providing the dedicated URL and a check box for receiving hard copies of the most recent and all subsequent CCRs. The District's Online Bill Pay customers received a dedicated email with the same information as above. All above communications were bilingual, and an additional dedicated URL was created for a Spanish language version of the CCR. Details on these electronic delivery methods, including samples, can be found on and following the attached description of all District methods of distributing its 2018 CCR.
