Consumer Confidence Report Electronic Delivery Certification

Water systems utilizing electronic distribution methods for CCR delivery must complete this page by checking all items that apply and fill-in where appropriate.

- Water system mailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available website where it can be viewed (attach a copy of the mailed CCR notification). URL: www.mvwd.org; www.mvwd.org/report; www.mvwd.org/reporte
- Water system emailed a notification that the CCR is available and provides a direct URL to the CCR on a publicly available site on the Internet where it can be viewed (attach a copy of the emailed CCR notification). URL: www.mvwd.org; www.mvwd.org/report; www.mvwd.org/reporte
- Water system emailed the CCR as an electronic file email attachment.
- Water system emailed the CCR text and tables inserted or embedded into the body of an email, not as an attachment (attach a copy of the emailed CCR).
- Requires prior DDW review and approval.* Water system utilized other electronic delivery method that meets the direct delivery requirement.

Provide a brief description of the water system's electronic delivery procedures and include how the water system ensures delivery to customers unable to receive electronic delivery.

Monte Vista Water District included a message on its May/June 2022 bills indicating the CCR is available at a dedicated URL, while including a statement on the importance of the CCR and

information on how to request a hard copy of the document. This was accompanied by a bill insert with the same information. The District also routinely includes a message on the back of every single bill stub providing the dedicated URL and a check box for receiving hard copies of the most recent and all subsequent CCRs. The District's Online Bill Pay customers received a dedicated email with the same information as above. All above communications were bilingual, and an additional dedicated URL was created for a Spanish language version of the CCR. Details on these electronic delivery methods, including samples, can be found on the attached description of all District methods of distributing its 2021 CCR.

This form is provided as a convenience and may be used to meet the certification requirement of section 64483(c) of the California Code of Regulations.
