## The Consumer Confidence Report

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires Golden State Water Company to provide to you. The purpose of the CCR is to raise customer awareness of the quality of your drinking water, where your drinking water comes from, what it takes to deliver water to your homes, and the importance of protecting drinking water sources. This report contains important information about the source and quality of your drinking water.

If you would like a paper copy of the 2023 CCR mailed to your address or would like to speak with someone about the report, please call **1-800-999-4033** or email **[waterquality@gswater.com](mailto:waterquality@gswater.com)**.

You can view your 2023 Consumer Confidence Report and learn more about your drinking water by visiting our website. You can find a direct URL link in the message center on the back of your water bill. You can also find the URL link for your system in the table on the reverse.

	Voice to TTY/VCO/HCO	

To avoid having service turned off while you wait for the outcome of a complaint to the CPUC **specifically regarding the accuracy of your bill**, please contact CAB for assistance. If your case meets the eligibility criteria, CAB will provide you with instructions on how to mail a check or money order to be impounded pending resolution of your case. You must continue to pay your current charges while your complaint is under review to keep your service turned on. The Commission will not, however, accept deposits when the dispute appears to be over matters that do not directly relate to the accuracy of the bill. Such matters include the quality of the utility's service, general level of rates, pending rate applications and sources of fuel or power.
